Lieutenant Laddie Rutkowski

Investigative Overview

This investigation documents a fleeing and eluding incident which resulted in a Deputy Involved Shooting that occurred on November 13, 2020.

On Friday, November 13, 2020, at approximately 10:05 a.m., Brevard County Sheriff's Office (BCSO) Deputy Ezra Dominguez conducted a self-initiated business patrol of America's Best Value Inn, which is a hotel located at 3220 North Highway 1, Cocoa. As he patrolled the hotel parking lot, Deputy Dominguez observed a vehicle he described in his sworn statement as a "silver or gray" in color Volkswagen (radio traffic later confirmed Deputy Dominguez verbally described the vehicle as gray in color during the attempted traffic stop) with dark tinted windows backed into a parking space with the trunk open in front of room 108. He observed an unidentified black male place an unknown object into the trunk. As Deputy Dominguez approached the immediate area of the vehicle, the aforementioned male attempted to conceal himself behind the open trunk.

At approximately 10:10 a.m., Deputy Dominguez concluded his business patrol of the hotel and exited the parking lot. He went to the BP gas station located at 3230 North Cocoa Boulevard, Cocoa, to monitor vehicles traveling northbound and southbound on North Cocoa Boulevard for possible traffic infractions. At approximately 10:17 a.m., Deputy Dominguez observed the "silver or gray" Volkswagen vehicle bearing Florida registration tag **NWEG22** leave the hotel parking lot and begin traveling southbound on US Highway 1. Deputy Dominguez followed the vehicle southbound and attempted a traffic stop relating to window tint violation as they were approaching State Road 528. Deputy Dominguez initiated his emergency blue lights and siren, but the driver accelerated and fled at a high rate of speed southbound on US Highway 1 through the intersection of Michigan Avenue.

At approximately 10:18 a.m., Deputy Dominguez informed the BCSO Communications Center, via radio, the aforementioned vehicle was fleeing southbound at a high rate of speed and he had terminated the traffic stop attempt. The BCSO Communications Center advised Deputy Dominguez the address of the registered owner of the vehicle that fled from him came back to Ivy Drive (1926 Ivy Drive, Cocoa) in the city of Cocoa. Deputy Dominguez requested, via the BCSO Communications Center, for an available zone unit to respond to 1926 Ivy Drive and attempt to make contact with the registered owner (identified as Leon Newsome). Field Training Officer (FTO) Jafet Santiago-Miranda advised over the radio he would be enroute to the area of Ivy Drive.

At approximately 10:19 a.m., Deputy Dominguez returned to the hotel front office in an attempt to identify who was driving the vehicle at the time it fled from him. Deputy Dominguez was advised room 108 (the room the vehicle was parked in front of when he initially observed it) was rented to a Mr. Rene Jones. Deputy Dominguez viewed Mr. Jones' photograph and confirmed that he was not the driver of the Volkswagen at the time he attempted to conduct the traffic stop. Additionally, Deputy Dominguez reviewed video surveillance in an effort to identify the driver of the Volkswagen. Because of the angle,

the video recording did not capture the area where the driver and Volkswagen were located; therefore, Deputy Dominguez was not able to identify the driver and did not collect the business video recording.

At approximately 10:26 a.m., FTO Santiago-Miranda advised the BCSO Communications Center that he observed a silver Volkswagen Passat travel eastbound on State Road 520 and that he intended to verify the registration tag. FTO Santiago-Miranda asked over West Precinct radio if the suspect vehicle had tinted windows and Deputy Dominguez confirmed it did. At approximately 10:27 a.m., FTO Santiago-Miranda verified the registration tag did not match the vehicle Deputy Dominguez had attempted to stop; therefore, he advised the BCSO Communications Center of his findings and that he was back enroute to Ivy Drive. At approximately 10:30 a.m., FTO Santiago-Miranda and Deputy Carson Hendren (who had also responded to the area of Ivy Drive to assist) met at the ABC Liquor Store parking area, located at 1105 Clearlake Road. The business parking area is situated on the northwest corner of Clearlake Road and Dixon Boulevard, Cocoa, Brevard County, Florida.

At approximately 10:30 a.m., [REDACTED], later determined to be the registered owner's (Leon Newsome) [REDACTED], called 911 and reported to the BCSO Communications Center that [REDACTED] vehicle was stolen from 1930 Ivy Drive, Cocoa, Florida, 32922. Ms. Newsome described her vehicle as a "2015 or 2016 silver Volkswagen Passat", bearing Florida registration tag "**NWEG22**." This information was provided over the radio by the BCSO Communications Center to deputies monitoring West OPS radio. *The information regarding the stolen vehicle, as stated by [REDACTED], was not provided to the Cocoa Police Department (CPD) at this time.* Additionally, later investigation revealed, at approximately 11:50 a.m., Mr. Leon Newsome, the registered owner of the Volkswagen Passat, bearing Florida registration tag **NWEG22**, approached CPD Detective Anthony Colombo, who was standing outside of the deputy involved shooting crime scene perimeter, and reported the vehicle stolen. *The information Mr. Newsome stated to CPD Detective Colombo was not provided to BCSO at this time.*

At approximately 10:32 a.m., while still parked in the ABC Liquor Store parking area, FTO Santiago-Miranda advised the BCSO Communications Center "they" (referring to himself and Deputy Hendren) observed a vehicle matching the description of the vehicle that fled from Deputy Dominguez traveling west on Dixon Boulevard from Clearlake Road towards the Ivy Drive address area.

FTO Santiago-Miranda and Deputy Hendren both pulled out of the ABC Liquor parking area and drove west on Dixon Boulevard with Deputy Hendren in the lead position. Both deputies were attempting to locate the vehicle in an attempt to verify if it was the vehicle that fled from Deputy Dominguez approximately fourteen (14) minutes prior. The vehicle matched the description as provided by Deputy Dominguez and it was traveling in the direction of the registered owner's address (Leon Newsome, 1926 Ivy Drive, Cocoa, Brevard County, Florida). Both deputies turned north from Dixon Boulevard onto College Avenue still attempting to locate where the vehicle had traveled after entering the residential neighborhood. Deputy Hendren turned west onto Exeter Drive while FTO Santiago-Miranda continued north on College Avenue until reaching Ivy Drive, at which

time, he turned west onto Ivy Drive. Deputy Hendren was successful in locating the vehicle as it was traveling on Exeter Drive and was able to position her vehicle behind it.

At approximately 10:32 a.m., as FTO Santiago-Miranda drove west on Ivy Drive, the four-door gray Volkswagen, followed directly by Deputy Hendren, turned from Exeter Drive onto Ivy Drive in front of him (*this was later confirmed by reviewing FTO Santiago-Miranda's in-car video recording*). FTO Santiago-Miranda then followed behind Deputy Hendren as all three vehicles came to a complete stop at the intersection of Stetson Drive and Ivy Drive. At 10:33 a.m., Deputy Hendren informed the BCSO Communications Center the registration tag attached to the four-door gray Volkswagen they were following was bearing Florida registration tag **NWEG04**.

The Volkswagen then turned south onto Stetson Drive South and immediately turned west into the first residential driveway (identified as 1302 Stetson Drive South). Deputy Hendren turned south onto Stetson Drive South, stopped her marked patrol vehicle just short of the aforementioned driveway on the west side of the road and immediately exited her vehicle. Deputy Hendren did not activate her vehicle's emergency lights or siren as she quickly exited her vehicle and drew her firearm. As FTO Santiago-Miranda pulled up to the east side of Deputy Hendren's vehicle, the Volkswagen's reverse lights came on and the driver, later identified as Angelo Crooms, immediately backed up into the roadway of Stetson Drive South in a position in front of the marked patrol units.

FTO Santiago-Miranda immediately parked his vehicle just short of the driveway, east of Deputy Hendren's vehicle. At 10:33:01 a.m., FTO Santiago-Miranda initiated his emergency lights (which activated his in-car video recording system) and quickly exited his vehicle and drew his firearm. The Volkswagen continued in a reverse motion until the front of the Volkswagen faced the front of Deputy Hendren's and FTO Santiago-Miranda's marked patrol units. Both deputies were wearing agency issued BCSO uniforms with affixed agency patches, duty belts and badge stars.

Deputy Hendren repositioned herself to the passenger side of her vehicle. FTO Santiago-Miranda can be heard on the in-car video instructing the driver five (5) times to stop the vehicle as the Volkswagen began to travel forward towards the deputies. Upon the fifth verbal command to stop the vehicle, the Volkswagen stopped. FTO Santiago-Miranda requested "10-33" (a BCSO radio code utilized by deputies during critical or emergency incidents, which gives them priority to transmit communications via their radios) over his hand held radio and is observed in the in-car recording with his firearm drawn and pointed in the direction of the Volkswagen. The Volkswagen stopped for approximately four (4) seconds before the driver reversed again. At the time of this new movement of the Volkswagen, FTO Santiago-Miranda gave loud, verbal commands for the driver to stop the vehicle. The driver (Angelo Crooms) then turned the Volkswagen's wheels sharply to the right and accelerated forward, directly toward FTO Santiago-Miranda's position.

The in-car video recording depicts FTO Santiago-Miranda positioned to the left of his patrol vehicle giving verbal commands before he fires his agency issued handgun toward the driver of the suspect vehicle. FTO Santiago-Miranda's initial gunshots can be seen striking the front windshield of the vehicle as it accelerated toward him. FTO Santiago-

Miranda and the vehicle then go off camera and are no longer visible. A total of ten (10) gunshots are heard during a duration of approximately three seconds as the vehicle traveled out of view of the video recording. The vehicle ultimately crashed into the residence located at 1301 Stetson Drive South with its front wheels still spinning. FTO Santiago-Miranda is heard stating, "Shots fired, shots fired."

At approximately 10:33 a.m., Lieutenant Linda Moros was at BCSO West Precinct when she heard "shots fired" over West Precinct primary radio. Lieutenant Moros immediately exited West Precinct and responded to the area of Stetson Drive and Ivy Drive.

As the vehicle came to a stop, FTO Santiago-Miranda continued giving loud verbal commands to the vehicle's occupants. While doing so, the front and back doors on the passenger side opened and a set of hands were observed extending out from the front passenger side window area. FTO Santiago-Miranda advised the BCSO Communications Center that there were three occupants in the vehicle. FTO Santiago-Miranda continued to provide loud verbal commands and directed the front passenger (later identified as Jaquan Kimbrough-Rucker) out of the vehicle. Deputy Hendren took over verbal commands as FTO Santiago-Miranda moved to the front passenger side of his patrol vehicle, southwest of Deputy Hendren. Deputy Hendren instructed Mr. Kimbrough-Rucker to walk back to their positions. FTO Santiago-Miranda told Deputy Hendren "I'll take it from here" and again assumed providing verbal commands to Mr. Kimbrough-Rucker until Mr. Kimbrough-Rucker reached FTO Santiago-Miranda's position. FTO Santiago-Miranda then secured Mr. Kimbrough-Rucker in handcuffs and placed him in the backseat of his agency assigned vehicle.

It should be noted that after the Volkswagen was moved from its original position by BCSO Fleet Maintenance, a purple and gray SCCY CPX-1 9mm handgun with a black bandana wrapped around its handle was found on the ground directly under the passenger side of the vehicle where Mr. Kimbrough-Rucker was seated and exited the vehicle. The serial number for the firearm was scratched out. A snapchat video recording was later obtained by law enforcement that depicted Mr. Kimbrough-Rucker with a handgun similar to the unique coloring of the recovered SCCY CPX-1 9mm handgun. The DNA results obtained from the SCCY CPX-1 9mm handgun demonstrated the presence of mixture consistent with three donors including at least one male contributor. Jaquan Kimbrough-Rucker is included as a possible contributor to the mixed DNA profile.

Subsequent verbal commands given in an attempt to get the remaining occupants to respond were unsuccessful. At approximately 10:37 a.m., Deputy Dominguez arrived on scene. At approximately 10:38 a.m., Deputy Christina Jenkins arrived on scene and assisted with providing cover while Deputy Hendren and Deputy Dominguez approached the vehicle with FTO Santiago-Miranda's agency issued ballistic shield. Deputy Dominguez addressed the unresponsive driver (Croons) as Deputy Hendren began clearing the rest of the vehicle. Deputy Dominguez observed Croons to be unresponsive, with a gunshot wound to the head area. Deputy Dominguez removed Croons from the vehicle and immediately began administering Cardio Pulmonary Resuscitation (CPR) to him.

Deputy Hendren observed that the rear seat was occupied by a male passenger (later identified as Sincere Pierce). Pierce appeared to have attempted to exit the vehicle from the rear passenger side and was unresponsive (lying face down on the ground with his feet resting on the bottom of the open door frame). Simultaneously, FTO Santiago-Miranda arrived at Deputy Hendren's location with an Automated External Defibrillator (AED) and they both rolled Pierce onto his back. FTO Santiago-Miranda checked Pierce for a pulse but was unable to locate one; therefore, he immediately began CPR. Deputy Hendren placed the AED pads on Pierce's body. While applying the AED pads, Deputy Hendren observed a hard "bulge" (resembling a firearm) within the waistline of Pierce's pants. Deputy Hendren left the suspected firearm in its place and informed Cocoa Police Department FTO Luis Hernandez-Martin upon his arrival at approximately 10:41 a.m. FTO Santiago-Miranda continued chest compressions until relieved by Cocoa Police Department FTO Luis Hernandez-Martin and CPD Officer Trainee Kyle McNamara.

The suspected firearm observed by Deputy Hendren in Pierce's waistband area was later identified as a Walther PK380, .380 caliber handgun, serial number WB085799. Cocoa Police Officer FTO Hernandez-Martin and Cocoa Police Officer Trainee Kyle McNamara later stated they cut Pierce's pants so that CPD FTO Hernandez-Martin could retrieve the handgun. The black semi-automatic handgun, with a light attached, was retrieved from the inside of Pierce's underwear on the right side. CPD FTO Hernandez-Martin rendered the firearm safe by removing the magazine from the magazine well and clearing the chamber of the live round. FTO Hernandez-Martin then transferred the custody of the firearm to BCSO Sergeant Carl Sangeleer, who later transferred custody to BCSO CSI Conrad Schneider.

At approximately 10:45 a.m., Cocoa Fire Rescue (CFR) arrived on scene and assumed lifesaving measures on both Crooms and Pierce. Brevard County Fire Rescue (BCFR) #46 arrived on scene at approximately 10:46 a.m. and assisted CFR with providing medical care to Crooms. BCFR Rescue #45 arrived on scene at approximately 10:56 a.m. and assisted CFR with providing medical care to Sincere Pierce.

Lieutenant Moros arrived on scene at approximately 10:47 a.m. and parked her assigned marked patrol vehicle (unit #91862) on Ivy Drive at the intersection of Exeter Drive. Upon her approach to 1301 Stetson Drive South, Lieutenant Moros observed CFR and BCFR rendering lifesaving aid to two males, one located on the driver side (Angelo Crooms) and one on the passenger side (Sincere Pierce) of the vehicle.

Lieutenant Moros then made contact with the resident located at 1301 Stetson Drive South (the house that was struck by the vehicle), Ms. Sandra Dix, who advised she was inside with her grandchildren, 13-year-old Amani and 5-year-old Kayliana. Ms. Dix advised Lieutenant Moros that her grandchildren were doing their on-line schooling in the front living room when they heard gunshots. Within seconds, she said the vehicle hit her house just under the front window in the living room where Amani was seated doing school work on his computer. At that time, Ms. Dix walked Lieutenant Moros into the living room and showed her the damage to her wall. Lieutenant Moros observed several rows of concrete block had been damaged by the vehicle striking the exterior of the residence. Ms. Dix advised no one was injured. Ms. Dix further advised once she heard

the shots, she and the grandchildren crawled to the back of the house and she called her cousin Toni Guilford.

At approximately 11:03 a.m., BCFR Rescue #46 departed the scene and transported Crooms to [REDACTED], with the assistance of CFR. At approximately 11:13 a.m., BCFR Rescue #45 departed the scene and transported Pierce to [REDACTED] with the assistance of CFR.

Crooms was treated in Acute Resuscitation (AR) Room 18 and Pierce was treated in AR Room 19. At approximately 11:36 a.m., Pierce was pronounced deceased by [REDACTED] Emergency Room Doctor P. Benerjee. Crooms was transported by helicopter to [REDACTED], Brevard County, Florida, where he was treated in AR Room 4 of the Emergency Department and ultimately pronounced deceased by Emergency Room Doctor A. Moore at 2:22 p.m.

The Florida Department of Law Enforcement Resident Agent in Charge Jason Kriegsman was notified by BCSO Chief Deputy Douglas Waller who requested FDLE to respond and conduct an investigation into the Deputy Involved Shooting involving BCSO FTO Jafet Santiago-Miranda. Chief Deputy Waller additionally contacted CPD Chief of Police Michael Cantaloupe to determine if CPD would conduct the death investigation. Chief Cantaloupe declined and deferred the death investigation to FDLE due to lack of available resources. The FDLE investigation would focus on the Aggravated Assault with a Motor Vehicle and the use of deadly force by BCSO FTO Jafet Santiago-Miranda, with the BCSO Homicide Unit conducting the investigation of all actions up to the Aggravated Assault with a Motor Vehicle and the use of deadly force by BCSO FTO Jafet Santiago-Miranda. FDLE requested to utilize the BCSO Crime Scene Unit for crime scene processing, evidentiary collection and additionally requested BCSO agents to assist in the investigative process.

Interviews

FTO Jafet Santiago-Miranda

FTO Jafet Santiago-Miranda was interviewed by Florida Department of Law Enforcement (FDLE) Special Agent Lisa Gundrum and Florida Department of Law Enforcement (FDLE) Special Agent Ryan Bliss. Brevard County Sheriff's Office (BCSO) personnel were not present for the interview, nor provided a copy of the interview prior to the completion of this investigative report.

FTO Santiago-Miranda has been employed by the Brevard County Sheriff's Office (BCSO) since February 27, 2017, and is currently assigned to Patrol Services in West Precinct with the classified rank of Deputy Sheriff and was assigned as a Field Training Officer on November 16, 2019.

On November 13, 2020, FTO Santiago-Miranda worked Bravo Shift, which consisted of the hours between 5:45 a.m. and 6:15 p.m. FTO Santiago-Miranda wore his agency-

issued Class B uniform, marked with BCSO insignia, his star badge and his issued duty belt, which included his agency-issued firearm. FTO Santiago-Miranda drove a marked BCSO 2018 Ford Explorer (Unit #91727) outfitted with emergency blue lights and a WatchGuard In-Car Camera video/audio recording system, County ID# 2511373.

At approximately 11:15 a.m., FTO Santiago-Miranda was released from the scene by Sergeant Carl Sangeleer and was transported to the Brevard County Sheriff's Office Criminal Investigative Services building by CPD Detective Christopher Hattaway (ID# 15).

Deputy Carson Hendren

On Friday, November 13, 2020, at approximately 2:25 p.m., BCSO Agent Don Reynolds and Florida Department of Law Enforcement Special Agents Bradley Lewis and Christopher Deardoff conducted a voluntary, sworn audio-recorded interview with Deputy Carson Hendren (ID #4357). Attorney Marty White and Police Benevolent Association Staff Representative Al Boettjer were also present for the interview. The interview took place at the Brevard County Sheriff's Office Criminal Investigative Services building located at 340 Gus Hipp Boulevard, Rockledge, Brevard County, Florida.

Deputy Hendren stated the following, in substance:

Deputy Hendren has been employed by the Brevard County Sheriff's Office since March 19, 2018, and is currently assigned to Patrol Services, West Precinct, with the classified rank of Deputy Sheriff.

On November 13, 2020, Deputy Hendren worked Bravo Shift, which consisted of the hours between 5:45 a.m. and 6:15 p.m. Deputy Hendren wore her agency-issued Class B uniform, marked with BCSO insignia, her star badge and her issued duty belt, which included her agency-issued firearm. Deputy Hendren drove a marked BCSO 2016 Ford Interceptor (Unit #2621) outfitted with emergency blue lights and Digital Ally In-Car video/audio recording system, County ID# 2511230.

While on a separate and unrelated call for service, Deputy Hendren heard radio transmissions from her zone partner (Deputy Ezra Dominguez) attempting to conduct a traffic stop on a four-door, gray in color Volkswagen, which ultimately fled from him southbound on Highway US 1 near Michigan Avenue, Cocoa. After she cleared her call for service, Deputy Hendren contacted FTO Jafet Santiago-Miranda and requested to meet with him in efforts to obtain additional information regarding the gray Volkswagen that fled from Deputy Dominguez. The two of them agreed to meet at the ABC Liquor Store, located at 1105 Clearlake Road, Cocoa.

While on her way to meet FTO Santiago-Miranda, Deputy Hendren heard the BCSO Communications Center advise over the West Ops radio channel that the daughter (later identified as Kiara Newsome) of the registered owner (Mr. Leon Newsome) of the Volkswagen that fled from Deputy Dominguez wanted to meet on Ivy Drive in Cocoa to report the vehicle stolen.

While in the parking area of the ABC Liquor Store with FTO Santiago-Miranda, Deputy Hendren observed a gray, four door Volkswagen pass their location traveling west on Dixon Boulevard towards the area of the registered owner's address (Mr. Leon Newsome). Deputy Hendren exited the ABC Liquor Store parking area and FTO Santiago-Miranda exited the parking area to follow. As they exited the parking area, the gray Volkswagen accelerated its speed and Deputy Hendren lost sight of the vehicle. Both Deputy Hendren and FTO Santiago-Miranda traveled west on Dixon Boulevard in an effort to catch up to the vehicle to verify if the vehicle was the same vehicle that had fled from Deputy Dominguez approximately fourteen (14) minutes earlier. Deputy Hendren turned onto a street (later identified as Exeter Street) off of College Avenue and located what she believed to be the suspect vehicle near the end of the street. The gray Volkswagen then traveled west on Ivy Drive to the intersection of Stetson Drive South and Ivy Drive. The driver of the Volkswagen then turned south onto Stetson Drive South and into the first driveway on the west side of the street.

Deputy Hendren turned onto Stetson Drive South and stopped her vehicle in the roadway, just short of the driveway. She observed the gray Volkswagen's reverse lights to be on, and observed the vehicle immediately back out of the driveway into the roadway until it faced Deputy Hendren's vehicle. Deputy Hendren exited her vehicle and observed FTO Santiago-Miranda arrive at the intersection and exit his vehicle (which had its emergency lights on).

She recalled taking an initial position at the rear of her vehicle for cover, un-holstered her agency-issued firearm, immediately identified herself as a Brevard County Deputy Sheriff and proceeded to give multiple verbal commands to the vehicle's driver to "Stop." Deputy Hendren advised that her marked patrol vehicle was positioned in the roadway just west of FTO Santiago-Miranda's, which were both facing the gray Volkswagen's position.

Deputy Hendren stated the driver of the vehicle (later identified as Angelo Crooms) initially stopped briefly, then backed up slightly and turned the wheels, which placed the front of the Volkswagen facing FTO Santiago-Miranda's position. Deputy Hendren identified FTO Santiago-Miranda's position as approximately four feet to the east of his patrol vehicle and approximately eight feet north (in front) of the Volkswagen. Deputy Hendren heard the vehicle's engine revving and then observed the vehicle accelerate forward towards FTO Santiago-Miranda. Deputy Hendren stated that the driver (Angelo Crooms) intended to hit FTO Santiago-Miranda with the Volkswagen. As Crooms accelerated toward FTO Santiago-Miranda, Deputy Hendren believed FTO Santiago-Miranda's life was in imminent danger. Deputy Hendren then maneuvered her position to the front passenger side of her vehicle.

At that time, she heard multiple gunshots, which she attributed to FTO Santiago-Miranda firing his duty weapon. She specifically observed the front windshield fracture. As the gunshots continued, the vehicle turned and struck the residence on the east side of Stetson Drive South (later determined to be 1301 Stetson Drive South). Deputy Hendren then repositioned herself to the front passenger side of FTO Santiago-Miranda's vehicle.

Immediately following, Deputy Hendren heard FTO Santiago-Miranda give verbal commands to the vehicle's occupants to exit, whereupon the front and back doors on the passenger side opened. At that time, Deputy Hendren observed hands extended out of the front passenger window. FTO Santiago-Miranda continued to give verbal commands and directed the front passenger (later identified as Jaquan Kimbrough-Rucker) to exit the vehicle. Deputy Hendren took over verbal commands as FTO Santiago-Miranda moved to the front passenger side of his patrol vehicle, southwest of Deputy Hendren. Deputy Hendren instructed Kimbrough-Rucker to move to their positions, where FTO Santiago-Miranda handcuffed him and placed him in the back of his agency assigned vehicle.

After a review of FTO Santiago-Miranda's in-car video recording, it was determined that Deputy Hendren provided verbal commands directing Mr. Kimbrough-Rucker to walk back to their positions until FTO Santiago-Miranda told Deputy Hendren, "I'll take it from here." FTO Santiago-Miranda then assumed giving verbal commands to Mr. Kimbrough-Rucker until Mr. Kimbrough-Rucker reached FTO Santiago-Miranda's position. FTO Santiago-Miranda then secured Mr. Kimbrough-Rucker in handcuffs and placed him in the backseat of his agency assigned vehicle.

Deputy Hendren then moved to the rear of FTO Santiago-Miranda's vehicle to obtain a better view of the driver's side of the gray Volkswagen. Subsequent verbal commands given by FTO Santiago-Miranda and Deputy Hendren to get the remaining occupants to respond were unsuccessful. Deputy Dominguez was observed to arrive on scene at approximately 10:37 a.m., and with the assistance of Deputy Hendren, approached the vehicle with FTO Santiago-Miranda's agency issued ballistic shield (the shield was obtained from FTO Santiago-Miranda's agency assigned vehicle by Deputy Dominguez). Deputy Dominguez addressed the unresponsive driver (Angelo Crooms) as Deputy Hendren cleared the rest of the Volkswagen.

Deputy Hendren observed that the rear seat was occupied by a male passenger (later identified as Sincere Pierce). Pierce appeared to have attempted to exit the vehicle from the rear passenger side and was observed unresponsive (lying face down on the ground with his feet resting on the bottom of the open door frame). Simultaneously, FTO Santiago-Miranda arrived at her location with an Automated External Defibrillator (AED) and they both rolled Pierce onto his back. FTO Santiago-Miranda checked Sincere Pierce for a pulse and immediately began administering Cardio Pulmonary Resuscitation (CPR) lifesaving efforts. Deputy Hendren instructed FTO Santiago-Miranda to briefly stop compressions while she moved Pierce's shirt up and placed the AED pads on him. While doing so, she noted a hard "bulge," resembling a firearm, within the waistline of Pierce's pants. Deputy Hendren left the suspected firearm in its place and informed Cocoa Police Department FTO Luis Hernandez-Martin upon his arrival at approximately 10:41 a.m., as she continued lifesaving efforts. FTO Santiago-Miranda immediately resumed administering chest compressions again until relieved by Cocoa Police Department Officers (Cocoa Police Officers FTO Luis Hernandez-Martin and Officer Trainee Kyle McNamara) who arrived on scene and assisted in the lifesaving measures.

The object detected by Deputy Hendren and believed by her to be a firearm in Sincere Pierce's waistline, was later identified as a Walther PK380, .380 caliber handgun, serial number WB085799.

At approximately 11:15 a.m., Deputy Hendren was released from the crime scene by Sergeant Carl Sangeleer and was transported to the Brevard County Sheriff's Office Criminal Investigative Services building by BCSO Deputy Christina Jenkins (ID# 3922).

This concluded Deputy Hendren's statement. Deputy Hendren's audio-recorded statement is included as an enclosure to this report.

Deputy Ezra Dominguez

On Friday, November 13, 2020, at approximately 4:30 p.m., Florida Department of Law Enforcement (FDLE) Special Agent Lisa Gundrum and I (BCSO Agent Carmen Minthorn) conducted a voluntary, sworn audio-recorded interview with Deputy Ezra Dominguez (ID #2226) at the intersection of Ivy Drive and Stetson Drive East, Cocoa, Brevard County, Florida.

Deputy Dominguez stated the following, in substance:

Deputy Dominguez has been employed by the Brevard County Sheriff's Office (BCSO) since August 11, 2018, and is currently assigned to Patrol Services in West Precinct with the classified rank of Deputy Sheriff.

On November 13, 2020, Deputy Dominguez worked Bravo Shift, which consisted of the hours between 5:45 a.m. and 6:15 p.m. Deputy Dominguez wore his agency-issued Class B uniform, marked with BCSO insignia, his star badge and his issued duty belt, which included his agency-issued firearm. Deputy Dominguez drove his assigned marked BCSO 2012 Dodge Charger (Unit #2442) outfitted with emergency blue lights.

The video recording from the Digital Ally in-car camera system, County ID# 2511070, assigned to Deputy Ezra Dominguez's agency assigned marked BCSO 2012 Dodge Charger (Unit #2442) was initiated on November 13, 2020 at approximately 10:17 a.m.

On Friday, November 13, 2020, at approximately 10:05 a.m., Deputy Ezra Dominguez conducted a business patrol of America's Best Value Inn, which is a hotel located at 3220 North Highway 1, Cocoa. As he patrolled the hotel, Deputy Dominguez observed a vehicle, which he described as a "silver or gray" in color (radio traffic confirmed Deputy Dominguez identified the vehicle as gray in color during the traffic stop) Volkswagen with dark tinted windows backed into a parking space with the trunk open, in front of room 108. He observed an unidentified black male place an unknown object into the trunk. As Deputy Dominguez approached the immediate area of the vehicle, the male attempted to conceal himself behind the open trunk.

At approximately 10:10 a.m., Deputy Dominguez concluded his business patrol of the hotel and exited the parking lot. He went to the BP gas station, located at 3230 North

Cocoa Boulevard, Cocoa, and began to monitor vehicles traveling northbound and southbound on North Cocoa Boulevard for traffic infractions. At approximately 10:17 a.m., Deputy Dominguez observed the aforementioned Volkswagen, bearing Florida registration tag **NWEG22** leave the hotel parking lot and begin traveling southbound on US Highway 1.

Deputy Dominguez followed the vehicle southbound and attempted a traffic stop for a window tint violation as they were approaching State Road 528. Deputy Dominguez initiated his emergency blue lights and siren, but the driver immediately accelerated and fled at a high rate of speed southbound on US Highway 1 through the intersection of Michigan Avenue.

Deputy Dominguez turned his emergency lights and siren off and terminated the attempted traffic stop.

Deputy Dominguez was advised by the BCSO Communications Center that the vehicle that fled was registered to an address on Ivy Drive (1926 Ivy Drive, Cocoa) in the city of Cocoa. Deputy Dominguez requested, via the BCSO Communications Center, that an available zone unit respond to Ivy Drive and attempt to make contact with the registered owner, identified as Mr. Leon Newsome. At approximately 10:19 a.m., Deputy Dominguez returned to the hotel front office in an attempt to identify the vehicle driver. Deputy Dominguez reviewed the business video surveillance recording in an effort to identify the driver of the Volkswagen. The angle of the cameras did not capture the area where the driver and Volkswagen were located; therefore, Deputy Dominguez was not able to identify the driver and did not collect the Business video recording. While in the front office of the hotel reviewing the recording, Deputy Dominguez heard over his hand held radio, "shots fired" (approximately 10:34 a.m.) and immediately left the hotel and responded to the area of Ivy Drive and Stetson Drive South.

Upon his arrival at approximately 10:37 a.m., Deputy Dominguez parked his vehicle just east of the intersection of Ivy Drive and Stetson Drive South. He observed FTO Jafet Santiago-Miranda and Deputy Carson Hendren standing in the roadway just south of the intersection of Ivy Drive and Stetson Drive South, with their firearms drawn and pointed in the direction of a gray Volkswagen vehicle with dark window tint. It appeared the vehicle had crashed into a residence (later determined to be 1301 Stetson Drive South) at the southeast corner of the intersection. Deputy Dominguez stated the tint was too dark for him to see occupants within the vehicle. Deputy Dominguez stated it appeared that all of the vehicle doors were closed, except the rear passenger side door.

Deputy Dominguez retrieved an agency-issued ballistic shield from FTO Santiago-Miranda's vehicle and approached the driver's side of the Volkswagen with Deputy Hendren. Deputy Dominguez instructed the driver (later identified as Angelo Crooms) to place his hands where he could see them, but the driver did not respond. Deputy Dominguez dropped the shield and opened the driver's door, at which time he observed Angelo Crooms to be unresponsive, with labored breathing. He removed Crooms from the vehicle and provided lifesaving measures to him. Simultaneously, FTO Santiago-

Miranda provided lifesaving measures to a passenger of the vehicle, later identified as Sincere Pierce, on the ground next to the passenger side rear door of the vehicle.

Deputy Dominguez was not aware of a third passenger (who was later identified as Jaquan Marice Kimbrough-Rucker) being removed from the vehicle prior to his arrival on scene. Deputy Dominguez stated he later learned of Mr. Kimbrough-Rucker's involvement when Mr. Kimbrough-Rucker was transported to BCSO Criminal Investigative Services, Rockledge, Brevard County, Florida.

This concluded Deputy Dominguez's statements. Deputy Dominguez's audio-recorded statements are included as an enclosure to this report.

Reserve Deputy Paul Ring

On Thursday, November 19, 2020, at approximately 3:44 p.m., BCSO Agent Samantha Grimes and Florida Department of Law Enforcement Special Agent Christopher Shephard conducted a voluntary, sworn audio-recorded interview with BCSO Reserve Deputy Paul Ring (ID #0074) at Eastern Florida State College, 3865 N. Wickham Road, Melbourne, Brevard County, Florida.

Reserve Deputy Ring stated the following, in substance:

Reserve Deputy Ring has been employed by the BCSO as a Reserve Deputy since May 28, 2016, with the classified rank of Deputy Sheriff. Reserve Deputy Ring was previously employed with the BCSO as a Deputy Sheriff from February 25, 1986, through May 27, 2016, at which time he retired with the rank of Commander. On November 13, 2020, Reserve Deputy Ring was volunteering in the capacity of a patrol deputy and assisted West Precinct Bravo shift with calls for service. Reserve Deputy Ring wore his agency-issued Class B uniform, marked with BCSO insignia, his star badge and his agency-issued duty belt, which included his agency-issued firearm. Reserve Deputy Ring drove a marked BCSO 2009 Chevrolet Impala (Unit #2191) outfitted with emergency blue lights. *It should be noted, Reserve Deputy Ring's vehicle is not equipped with an in-car video recording system.*

On November 13, 2020, at 10:34 a.m., Reserve Deputy Ring was in the area of Clearlake Road and Mantes Drive, Cocoa, assisting a disabled vehicle when he heard "shots fired" (approximately 10:34 a.m.) at Ivy Drive and Stetson Drive over the radio. Reserve Deputy Ring immediately responded to the area of Ivy Drive and Stetson Drive to provide assistance. Reserve Deputy Ring arrived on scene at approximately 10:36 a.m. and was directed to assist with crowd control on Ivy Drive by a male deputy (later identified as Deputy Ezra Dominguez). Reserve Deputy Ring observed Deputy Dominguez retrieve a shield and approach a grey Volkswagen with Deputy Hendren. Reserve Deputy Ring observed Deputy Dominguez remove the driver from the vehicle and he offered Deputy Dominguez his assistance. Deputy Dominguez requested Reserve Deputy Ring to continue to maintain the security of the crime scene.

When Sergeant Carl Sangeleer arrived on scene, Reserve Deputy Ring was directed to transport the third occupant of the gray Volkswagen, identified as Jaquan Marice Kimbrough-Rucker, to BCSO Criminal Investigative Services, located 340 Gus Hipp Boulevard, Rockledge, Brevard County, Florida.

At 11:47 a.m., Reserve Deputy Ring transported Mr. Kimbrough-Rucker to BCSO CIS in his agency issued marked patrol vehicle.

During the transport, Mr. Kimbrough-Rucker requested Reserve Deputy Ring to roll down the windows because he was hot and Reserve Deputy Ring complied with the request. After observing Mr. Kimbrough-Rucker to be slouched in the seat and out of his view, Reserve Deputy Ring requested him to sit up, and Mr. Kimbrough-Rucker complied. Reserve Deputy Ring and Mr. Kimbrough-Rucker did not exchange any further conversation during the transport.

Upon arrival to the BCSO CIS facility at 12:06 p.m., Reserve Deputy Ring stood by as Mr. Kimbrough-Rucker completed an interview with BCSO and FDLE Agents (identified as BCSO Agent Don Reynolds and FDLE Special Agent Bradley Lewis). Also, while at the BCSO CIS, Mr. Kimbrough-Rucker was documented with photographs and buccal swabs by BCSO Crime Scene Investigator Phillip Miranda (ID #1306). Mr. Kimbrough-Rucker requested to know if he was being detained or arrested; therefore, Reserve Deputy Ring spoke with Agent Reynolds, who advised that Mr. Kimbrough-Rucker was free to leave. Reserve Deputy Ring transported Mr. Kimbrough-Rucker to his residence located at 1118 Peachtree Street, Cocoa. During the transport, there was no conversation other than Mr. Kimbrough-Rucker providing his address to Reserve Deputy Ring.

This concluded Reserve Deputy Ring's statement. Reserve Deputy Ring's audio-recorded statement is included as an enclosure to this report.

Cocoa Police Department FTO Luis Hernandez-Martin

On Friday, November 13, 2020, at approximately 12:48 p.m., Florida Department of Law Enforcement Special Agent Lisa Gundrum and I (BCSO Agent Carmen Minthorn) conducted a voluntary, sworn audio-recorded interview with Cocoa Police Department (CPD) Field Training Officer (FTO) Luis Hernandez-Martin (ID #27). The interview took place inside of Special Agent Gundrum's assigned vehicle, which was parked on Exeter Drive, Cocoa, Brevard County, Florida.

FTO Hernandez-Martin stated the following, in substance:

FTO Hernandez-Martin has been employed by CPD for approximately four and a half years and is currently assigned to Patrol Services with the rank of Police Officer and an assignment as a Field Training Officer.

On November 13, 2020, FTO Hernandez-Martin worked Delta Shift, which consisted of the hours between 6:00 a.m. and 4:00 p.m. FTO Hernandez-Martin wore his department-issued Class B uniform, marked with CPD insignia, his badge, his department-issued duty

belt, to include firearm and his department issued body camera. FTO Hernandez-Martin was in his assigned marked CPD Impala (Unit #92) outfitted with emergency blue lights, which was driven by CPD Officer Trainee Kyle McNamara (ID #12).

On November 13, 2020, at approximately 10:38 a.m., CPD Communications Center advised their patrol units over the radio that the Sheriff's Office had an officer involved shooting in the area of Ivy Drive and College Avenue in the city of Cocoa. CPD FTO Hernandez-Martin and Officer Trainee McNamara immediately responded to the area to provide assistance.

Upon his arrival at approximately 10:41 a.m., FTO Hernandez-Martin observed a gray in color vehicle (later identified as a Volkswagen) crashed into a residence on Stetson Drive South, with Brevard County Sheriff's Office vehicles present. FTO Hernandez-Martin removed a backpack from his trunk that contained issued first aid equipment and Officer Trainee McNamara removed FTO Hernandez-Martin's rifle from the trunk. They approached the scene and observed a deputy, (later identified as Deputy Ezra Dominguez), standing next to the front driver's side door of the gray vehicle. Another deputy (later identified as Reserve Deputy Paul Ring) was standing at the rear of the gray vehicle and a deputy (later identified as FTO Santiago-Miranda) was standing next to a male (later identified as Sincere Pierce) on the ground on the passenger side of the vehicle.

Upon approaching the aforementioned vehicle, FTO Hernandez-Martin observed a black male (later identified as Angelo Crooms) slumped over in the driver's seat of the vehicle. Additionally, he observed a black male (later identified as Sincere Pierce) lying on the ground next to the passenger side rear of the vehicle with AED pads attached to his person and a wound located near his right clavicle. FTO Hernandez-Martin directed Officer Trainee McNamara to maintain crowd control and asked the female deputy he knows as "Carson" (later identified as Deputy Carson Hendren) if she was involved in the incident. Deputy Hendren advised she was involved; therefore, FTO Hernandez-Martin stated he asked her to step away from the immediate scene.

FTO Hernandez-Martin then administered chest compressions to Sincere Pierce until Cocoa Fire Rescue (CFR) arrived and assumed lifesaving measures. FTO Hernandez-Martin stated Deputy Dominguez removed the driver (later identified as Angelo Crooms) from the vehicle and initiated lifesaving measures to him.

FTO Hernandez-Martin stated Deputy Carson (Hendren) informed him that Pierce had a firearm in his pants. Once CFR arrived and began providing lifesaving measures, FTO Hernandez-Martin and Officer Trainee McNamara cut Sincere Pierce's pants so that FTO Hernandez-Martin could retrieve the firearm, which he described as a black semi-automatic handgun with a light attached. The firearm was retrieved from the inside of the Sincere Pierce's underwear on the right side. FTO Hernandez-Martin rendered the firearm safe by removing the magazine from the magazine well and clearing the chamber of a single round of ammunition. FTO Hernandez-Martin stated he transferred custody of the firearm, magazine and ammunition to a BCSO Sergeant (later identified as Sergeant Carl Sangeleer).

All of FTO Hernandez-Martin's involvement was captured on his body camera recording, which is included as an enclosure to this report.

This concluded FTO Hernandez-Martin's statement. FTO Hernandez-Martin's audio-recorded statement is included as an enclosure to this report.

Cocoa Police Department Officer Trainee Kyle McNamara

On Friday, November 13, 2020, at approximately 1:25 p.m., Florida Department of Law Enforcement Special Agent Lisa Gundrum and I (BCSO Agent Carmen Minthorn) conducted a voluntary, sworn audio-recorded interview with Cocoa Police Department (CPD) Officer Trainee Kyle McNamara (ID #12). The interview took place inside of Special Agent Gundrum's department issued vehicle, which was parked on Exeter Drive, Cocoa, Brevard County, Florida.

Officer Trainee McNamara stated the following, in substance:

Officer Trainee McNamara has been employed by Cocoa Police Department (CPD) since October 26, 2020, and is currently assigned to Patrol Services as an Officer Trainee in the first phase of CPD's field training and evaluation program. Officer Trainee McNamara was assigned to CPD FTO Luis Hernandez-Martin during his first phase of training.

On November 13, 2020, Officer Trainee McNamara worked Delta Shift, which consisted of the hours between 6:00 a.m. and 4:00 p.m. CPD Officer Trainee McNamara wore his department issued Class B uniform, marked with CPD insignia, his badge, his department-issued duty belt, to include his issued firearm and his department issued body camera. Officer Trainee McNamara drove FTO Hernandez-Martin's assigned marked CPD Impala (Unit #92) outfitted with emergency blue lights.

On November 13, 2020, at approximately 10:38 a.m., Officer Trainee McNamara heard CPD Communications Center dispatch over the radio that a deputy was involved in a shooting. FTO Hernandez-Martin instructed Officer Trainee McNamara to respond to Ivy Drive in emergency mode with the vehicle lights and sirens activated.

Upon his arrival at approximately 10:41 a.m., Officer Trainee McNamara retrieved FTO Hernandez-Martin's rifle from the trunk while FTO Hernandez-Martin retrieved a backpack containing issued first aid items and ran to the scene. FTO Hernandez-Martin immediately initiated lifesaving measures on a black male (later identified as Sincere Pierce), who was on the ground next to the passenger side rear of the gray Volkswagen. Automated External Defibrillator (AED) pads had already been attached to the male's (Sincere Pierce's) person. Officer Trainee McNamara also observed a male (later identified as Angelo Crooms) lying on the ground next to the driver's side front of the vehicle where a deputy (Deputy Ezra Dominguez) was administering lifesaving measures to him. Neither male (Sincere Pierce nor Angelo Crooms) appeared conscious.

FTO Hernandez-Martin directed Officer Trainee McNamara to check on the status of the deputies that were involved, which he did. After Deputy Hendren advised they were both

okay, Officer Trainee McNamara assisted with crowd control and crime scene security. When relieved by CPD Officer Chris Zuniga, Officer Trainee McNamara secured CPD FTO Hernandez-Martin's rifle in the trunk of CPD Officer Zuniga's patrol vehicle (unit #93), due to it being closer than FTO Hernandez-Martin's patrol vehicle. Officer Trainee McNamara then returned to CPD FTO Hernandez-Martin and assisted with cutting Sincere Pierce's pants to retrieve a firearm that had been previously detected. Officer Trainee McNamara stated the firearm appeared to be a Walther 9mm with a light on it. After FTO Hernandez-Martin removed the firearm from the right side of Pierce's underwear and rendered it safe, Officer Trainee McNamara returned to assist with crowd control and crime scene security.

While on scene, Officer Trainee McNamara heard and saw a woman (later identified as Cynthia Green) state, "they shot my baby, he was doing nothing," as she stood across the street from the crime scene.

All of Officer Trainee McNamara's involvement was captured on his body camera, which is included as an enclosure to this report.

This concluded Officer Trainee McNamara's statement. Officer Trainee McNamara's audio-recorded statement is included as an enclosure to this report.

Sergeant Carl Sangeleer

On Wednesday, November 18, 2020, at approximately 9:07 a.m., BCSO Agent Samantha Grimes and Florida Department of Law Enforcement Special Agent Christopher Shephard conducted a voluntary, sworn audio-recorded interview with Sergeant Carl Sangeleer (ID #0630) at the Brevard County Sheriff's Office West Precinct, 2725 Judge Fran Jamieson Way, Brevard County, Florida.

Sergeant Sangeleer stated the following, in substance:

Sergeant Sangeleer has been employed by the BCSO since April 19, 2004, and is currently assigned to Patrol Services in West Precinct with the classified rank of Sergeant.

On November 13, 2020, Sergeant Sangeleer worked Bravo Shift, which consisted of the hours between 5:45 a.m. and 6:15 p.m. Sergeant Sangeleer wore his agency-issued Class B uniform, marked with BCSO insignia, his star badge and his agency issued duty belt, which included his agency-issued firearm. Sergeant Sangeleer drove a marked BCSO 2018 Ford Explorer (Unit #91711) outfitted with emergency blue lights. Sergeant Sangeleer was assigned to this Bravo Shift as the supervisory sergeant.

On November 13, 2020, at approximately 10:15 a.m., Sergeant Sangeleer was in his office located at BCSO West Precinct, 2725 Judge Fran Jamieson Way, when he heard Deputy Ezra Dominguez initiate a traffic stop on a vehicle in the area of State Road 528 and Highway US 1, Cocoa. The vehicle fled from Deputy Dominguez and he terminated his attempt at stopping the vehicle. Deputy Dominguez was able to obtain the license plate number attached to the vehicle prior to it fleeing. The vehicle was registered to an

address on Ivy Drive in the city of Cocoa. Deputy Dominguez requested an available deputy respond to 1926 Ivy Drive, Cocoa, to ascertain if the vehicle was possibly an unreported stolen vehicle.

Sergeant Sangeleer then briefly spoke with Deputy Dominguez by cellular telephone (Sergeant Sangeleer [REDACTED], Deputy Dominguez [REDACTED]) to confirm the termination of the traffic stop and the need to document the in-car video recording of the vehicle interaction for a vehicle apprehension review, as well as an incident report. Deputy Dominguez documented this incident in his primary case report for this case. His in-car video recording of this incident is attached as an enclosure.

Approximately fifteen (15) minutes later (approximately 10:34 a.m.), Sergeant Sangeleer heard, "Shots fired" dispatched over the radio. He explained, due to poor radio reception inside of West Precinct, he did not hear any preceding radio traffic prior to "shots fired." Sergeant Sangeleer immediately left West Precinct and drove his agency assigned vehicle to the incident scene. While enroute, he utilized the radio to ascertain the exact location of the incident. Additionally, Sergeant Sangeleer confirmed that no BCSO deputies were injured.

Upon his arrival to the scene at approximately 10:44 a.m., Sergeant Sangeleer observed two individuals (later determined to be Sincere Pierce or Angelo Crooms) on the ground who were being administered lifesaving measures by Cocoa Fire Rescue (CFR) personnel. Sergeant Sangeleer also observed a Cocoa Police Department (CPD) Officer (later identified as FTO Luis Hernandez-Martin) aiding in lifesaving efforts on the male (Sincere Pierce) lying on the ground next to the rear passenger side of the vehicle.

Sergeant Sangeleer was directed to Deputy Hendren's vehicle by CPD FTO Hernandez-Martin who informed him that was where Deputy Carson Hendren and FTO Jafet Santiago-Miranda were located. Sergeant Sangeleer stated he again confirmed neither were injured and asked for a brief synopsis of what occurred to determine if there were any outstanding suspects or victims and the size of the crime scene to be established. Sergeant Sangeleer was informed that a third subject, (who was later identified as Jaquan Marice Kimbrough-Rucker) was detained in the backseat of FTO Santiago-Miranda's agency assigned patrol vehicle. FTO Santiago-Miranda and Deputy Hendren informed him that the driver of the suspect vehicle, (who was later identified as Angelo Crooms) pulled into a driveway, backed out and then accelerated towards FTO Santiago-Miranda. Sergeant Sangeleer was told by FTO Santiago-Miranda and Deputy Hendren that FTO Santiago-Miranda was the only deputy to have fired a weapon during the incident. Sergeant Sangeleer directed Deputy Christina Jenkins to remain with Deputy Hendren and FTO Santiago-Miranda until further notice and not to speak with them about the incident.

At approximately 11:15 a.m., Deputy Hendren was transported by Deputy Jenkins to BCSO Criminal Investigative Services, (340 Gus Hipp Boulevard, Rockledge, Brevard County, Florida) and FTO Santiago-Miranda was transported to the same facility by CPD Detective Christopher Hattaway (ID #15).

Sergeant Sangeleer was advised by CPD FTO Hernandez-Martin about a firearm that was located in Sincere Pierce's waistband. Sergeant Sangeleer utilized his agency issued telephone to take photographs of the location of the firearm (which is described as a Walther PK380, .380 caliber handgun, serial number WB085799). The photographs were time stamped at 10:49 a.m. on November 13, 2020, and were uploaded to the BCSO Digital Media Server prior to CPD FTO Hernandez-Martin removing it from Sincere Pierce's person. Additionally, CPD FTO Hernandez-Martin utilized his body camera to document the removal and clearing of the firearm.

Sergeant Sangeleer and CPD FTO Hernandez-Martin then walked to Deputy Hendren's vehicle where Sergeant Sangeleer retrieved evidence bags from her trunk. CPD FTO Hernandez-Martin placed the Walther PK380, .380 caliber handgun into an evidence bag provided by Sergeant Sangeleer. FTO Hernandez-Martin then placed the magazine and one round of ammunition, which he removed from the chamber, into a separate evidence bag, which was also provided by Sergeant Sangeleer. Sergeant Sangeleer took possession of the evidence bags, sealed them and secured the evidentiary items in the trunk of Deputy Hendren's patrol vehicle. Sergeant Sangeleer stated he did not initially sign the evidence bags prior to securing them in Deputy Hendren's trunk. He then returned and opened Deputy Hendren's trunk, initialed each evidence bag and wrote his BCSO identification number on them. The evidence bags were then re-secured in Deputy Hendren's trunk.

Once BCSO Major Crimes Unit agents and BCSO Crime Scene personnel arrived, Sergeant Sangeleer notified them of the firearm he secured in Deputy Hendren's trunk. A BCSO Crime Scene Investigator (CSI), (later identified as CSI Conrad Schneider, ID #1073) took possession of the two evidence bags, which contained evidentiary items described as the firearm, magazine and single round of ammunition. Sergeant Sangeleer was present as CSI Schneider opened the sealed evidence bags, at which time, Sergeant Sangeleer took more detailed photographs of the firearm to accompany his supplemental report. CSI Schneider took possession of the evidentiary items.

Sergeant Sangeleer was notified CFR personnel needed to re-enter the crime scene to collect their medical equipment prior to the arrival of the BCSO Crime Scene Unit. Sergeant Sangeleer documented the scene as it existed by photographs prior to allowing CFR to re-enter the crime scene. CFR Lieutenant Kevin Mulligan entered the scene and collected CFR's medical equipment to include the following items: drug boxes (contain medications, IVs and needles), airway bags, trauma bag, first aid bag, two oxygen cylinders, LUCAS device, airway device and a computer used for patient reporting. Due to the vehicle doors being open at the time he was taking the photographs, Sergeant Sangeleer observed what appeared to be an orange gun, which upon closer inspection, he described as appearing like an imitation Beretta firearm on the front passenger floor board within the vehicle.

This concluded Sergeant Sangeleer's statement. Sergeant Sangeleer's audio-recorded statement is included as an enclosure to this report.

Deputy Christina Jenkins

On Wednesday, November 18, 2020, at approximately 10:11 a.m., BCSO Agent Samantha Grimes and Florida Department of Law Enforcement Special Agent Christopher Shephard conducted a voluntary, sworn audio-recorded interview with Deputy Christina Jenkins (ID #3922) at the Brevard County Sheriff's Office West Precinct, 2725 Judge Fran Jamieson Way, Brevard County, Florida.

Deputy Jenkins stated the following, in substance:

Deputy Jenkins has been employed by the BCSO since February 15, 2016, and is assigned to Patrol Services at West Precinct with the classified rank of Deputy Sheriff.

On November 13, 2020, Deputy Jenkins worked Bravo Shift, which consisted of the hours between 5:45 a.m. and 6:15 p.m. Deputy Jenkins wore her agency issued Class B uniform, marked with BCSO insignia, her star badge and her agency issued duty belt, which included her agency-issued firearm. Deputy Jenkins drove an assigned marked BCSO 2012 Dodge Charger (Unit #2477) outfitted with emergency blue lights.

On November 13, 2020, at approximately 10:17 a.m., Deputy Jenkins was conducting traffic enforcement near the area of South Friday Road and Fleetwood Place, Cocoa, when she heard her zone partner, Deputy Ezra Dominguez, attempt to conduct a traffic stop in the area of US Highway 1 and State Road 528, Cocoa; however, the vehicle, later identified as a silver Volkswagen Passat bearing Florida License Plate **NWEG22**, fled. FTO Jafet Santiago-Miranda arrived to assist her with traffic enforcement and told Deputy Jenkins he was going to respond to Deputy Dominguez's location to assist with attempting to locate the vehicle that fled. Deputy Jenkins heard Deputy Dominguez advise the BCSO Communications Center, over the radio, he would be returning to the America's Best Value Inn (located at 3220 N. Cocoa Boulevard, Cocoa) to conduct further investigation.

Deputy Jenkins heard radio traffic from Deputy Carson Hendren and FTO Santiago-Miranda that indicated they would respond to Ivy Drive relating to the area where the vehicle's registered owner resided. She then heard radio traffic from FTO Santiago-Miranda (approximately 10:26 a.m.) regarding a vehicle traveling eastbound on State Road 520 that matched the description of the vehicle that fled from Deputy Dominguez. However, upon further inspection, FTO Santiago-Miranda advised it was not the vehicle. Deputy Hendren and FTO Santiago-Miranda then advised they were back enroute to the vehicle's registered address on Ivy Drive, Cocoa, (1926 Ivy Drive, Cocoa).

Deputy Jenkins heard FTO Santiago-Miranda informing dispatch (approximately 10:33 a.m.) that they possibly had located the vehicle. A short time later she heard "10-33" (emergency radio traffic) and "shots fired" (approximately 10:34 a.m.). Deputy Jenkins used her mobile terminal to reflect herself enroute to the incident location. Deputy Jenkins initiated her emergency lights and sirens on her agency issued marked vehicle and arrived on scene at approximately 10:38 a.m. While enroute, Deputy Jenkins heard Sergeant Sangeleer inquire over the radio to check if everyone was okay.

Deputy Jenkins heard FTO Santiago-Miranda describe there were occupants in the vehicle over the radio. FTO Santiago-Miranda advised he and Deputy Hendren were calling an occupant out of the vehicle while two other occupants remained in the vehicle.

Deputy Jenkins arrived on scene and parked her vehicle on the right side of Ivy Drive, facing west. Deputy Jenkins arrived just after Deputy Dominguez. She utilized a gray Sport Utility Vehicle on Ivy Drive for cover while Deputy Dominguez, Deputy Hendren and FTO Santiago-Miranda cleared the vehicle. Once the vehicle was cleared, FTO Santiago-Miranda and Deputy Hendren approached the passenger side of the vehicle to begin rendering lifesaving aid. Deputy Jenkins and Deputy Dominguez approached the driver's side of the suspect's vehicle. Deputy Jenkins observed a black male, (later identified as Angelo Crooms) as the occupant in the driver's seat with what appeared to be a head wound. Deputy Dominguez remained with the driver while Deputy Jenkins went to assist FTO Jafet Santiago-Miranda and Deputy Hendren with rendering aid to the rear passenger (later identified as Sincere Pierce). She heard FTO Santiago-Miranda state he thought he felt a pulse. Deputy Jenkins observed the passenger side rear occupant's (Sincere Pierce's) feet still partially resting on the edge of the open door and moved them to where his entire body was completely on the ground. FTO Santiago-Miranda then administered chest compressions to the male (Sincere Pierce) while Deputy Hendren applied the Automated External Defibrillator (AED) pads.

They continued to render aid until relieved by a Cocoa Police Department (CPD) officer, (later identified as CPD FTO Luis Hernandez-Martin) who arrived on scene and assumed medical aid. CPD FTO Hernandez-Martin continued providing lifesaving measures until the arrival of Cocoa Fire Rescue (CFR) (later identified as CFD Lieutenant Edward Mohesky and CFD EMT Morgan Taylor), who assumed medical care for both males (Angelo Crooms and Sincere Pierce).

Deputy Jenkins then walked with FTO Santiago-Miranda and Deputy Hendren to Deputy Hendren's agency assigned vehicle. Deputy Hendren sat in the driver's seat and FTO Santiago-Miranda sat on the edge of the front passenger door opening. Deputy Jenkins stood by with them and did not re-enter the crime scene.

FTO Santiago-Miranda and Deputy Hendren only spoke about their emotions pertaining to the situation. Neither Deputy Hendren nor FTO Santiago-Miranda spoke of any details pertaining to the incident.

At approximately 11:15 a.m., Deputy Jenkins transported Deputy Hendren to the Brevard County Sheriff's Office Criminal Investigative Services (CIS) building (340 Gus Hipp Boulevard, Rockledge). FTO Santiago-Miranda was transported to the same facility by a Cocoa Police Department Detective, (later identified as Detective Christopher Hattaway, ID #15).

Once at the BCSO CIS facility, Deputy Jenkins was directed to take Deputy Hendren to an unoccupied office while FTO Santiago-Miranda was led into the CIS conference room. Deputy Jenkins continued to monitor Deputy Hendren's wellbeing. Deputy Jenkins advised no conversation took place pertaining to the details of the incident.

This concluded Deputy Jenkins' statement. Deputy Jenkins' audio-recorded statement is included as an enclosure to this report.

FTO Jason Holloman

On Wednesday, November 18, 2020, at approximately 11:53 a.m., BCSO Agent Samantha Grimes and Florida Department of Law Enforcement Special Agent Christopher Shephard conducted a voluntary, sworn audio-recorded interview with Field Training Officer (FTO) Jason Holloman (ID #0042) at the Brevard County Sheriff's Office West Precinct, 2725 Judge Fran Jamieson Way, Brevard County, Florida.

FTO Holloman stated the following, in substance:

FTO Holloman has been employed by the Brevard County Sheriff's Office since August 15, 2005, and is currently assigned to Patrol Services at West Precinct with the classified rank of Deputy Sheriff and an assignment as a Field Training Officer.

On November 13, 2020, FTO Holloman worked Bravo Shift, which consisted of the hours between 5:45 a.m. and 6:15 p.m. FTO Holloman wore his agency issued Class B uniform, marked with BCSO insignia, his star badge and his issued duty belt, which included his agency issued firearm. FTO Holloman drove a marked BCSO 2016 Ford Explorer (Unit #91595) outfitted with emergency blue lights.

At approximately 10:37 a.m., FTO Holloman was at West Precinct picking up Deputy Jason Miller (ID #4805) to ride along with him on that day. While inside the precinct, he had limited radio reception. Lieutenant Linda Moros alerted FTO Holloman to the emergency radio traffic and advised him of "shots fired" (approximately 10:34 a.m.).

FTO Holloman and Deputy Miller traveled to the area of State Road 528 and US Highway 1, Cocoa. FTO Holloman soon learned the location of the incident was Ivy Drive, Cocoa. FTO Holloman was directed to head to an intersection of Ivy Drive and an adjoining street, which he did not recall the name of (later determined to be Exeter Drive), east of the incident. FTO Holloman arrived at the intersection at approximately 10:52 a.m.

While at that intersection, FTO Holloman retrieved Deputy Jenkins' vehicle keys from her and moved her vehicle so that Fire Rescue could leave the area. FTO Holloman returned Deputy Jenkins' keys to Sergeant Sangeleer. FTO Holloman was instructed to restructure the existing crime scene by moving the crime scene perimeter tape to open Ivy Drive for traffic flow, which he did. Afterwards, FTO Holloman was released to respond to pending calls for service.

At 11:51 a.m., FTO Holloman was directed by Sergeant Sangeleer to respond to [REDACTED] to standby for the BCSO Crime Scene Unit personnel and relay any information pertaining to the medical status of Sincere Pierce and Angelo Crooms.

At 11:52 a.m., FTO Holloman arrived at [REDACTED]. Upon his arrival, Crooms was in the process of being transported by Lifelight to [REDACTED]. Upon Pierce's arrival to [REDACTED], he was pronounced deceased by [REDACTED] medical personnel (later identified as [REDACTED] Emergency Room Doctor P. Benerjee). FTO Holloman remained on scene, securing the hospital rooms until BCSO Crime Scene personnel completed their processing efforts.

This concluded FTO Holloman's statement. FTO Holloman's audio-recorded statement is included as an enclosure to this report.

Jeffrey Cordova

On November 13, 2020, at approximately 12:20 p.m., BCSO Agent Jennifer Straight and Florida Department of Law Enforcement Special Agent Ryan Bliss conducted a voluntary, sworn audio-recorded interview with Jeffrey Cordova at his residence, 1302 Stetson Drive South, Cocoa, Brevard County, Florida. The location is the first residence on the southwest side of the Ivy Drive and Stetson Drive South intersection and is the location of the driveway which the Volkswagen pulled in to and then backed out.

Mr. Cordova stated the following, in substance:

On Friday, November 13, 2020, at approximately 10:34 a.m., (actual time is documented as approximately 10:34 a.m.), Mr. Cordova was seated on his couch and heard, "Stop the car. Stop the car," approximately three to four times coming from outside of his residence. When Mr. Cordova got up to look out of his front window, he heard gunshots, so he got down on the floor. Mr. Cordova believed he heard approximately ten (10) gunshots.

When the gunfire stopped, Mr. Cordova stood up and looked out of his window again, at which time he observed a vehicle (later identified as a gray, 4-door, Volkswagen, bearing Florida license plate number **NWEG04**) against the residence of 1301 Stetson Drive South, with the front wheels spinning. Mr. Cordova then noticed the rear passenger door was open, and the rear passenger occupant of the vehicle, (later identified as Sincere Pierce), laying halfway out of the vehicle. Mr. Cordova stated that he believed the front passenger door of the vehicle was closed at that time.

Mr. Cordova heard BCSO deputies yelling to the occupants of the vehicle to turn the vehicle off, but the vehicle was not stopping and the front wheels continued to spin. The front passenger of the vehicle (Jaquan Marice Kimbrough-Rucker) was ordered out of the vehicle by deputies (FTO Jafet Santiago-Miranda and Deputy Carson Hendren), who were providing the passenger with verbal commands to walk backwards towards them. Mr. Cordova observed the male (Mr. Kimbrough-Rucker) comply with the deputies' verbal commands as he walked back towards the deputies. The male, (Mr. Kimbrough-Rucker) was then secured with handcuffs and placed into a BCSO patrol vehicle. Mr. Cordova did not observe the male (Mr. Kimbrough-Rucker) with any firearms, but stated he had difficulty clearly seeing due to the screen on his window.

Mr. Cordova observed another BCSO deputy (Deputy Ezra Dominguez) on the north side of 1301 Stetson Drive, approach the yard of 1301 Stetson Drive with a shield and then approached the vehicle. Mr. Cordova did not see any other movement from the remaining occupants within the vehicle. The driver was removed from the vehicle and placed on the ground by a deputy (Deputy Dominguez) and the rear passenger was removed fully from the vehicle and placed on the ground by deputies (FTO Santiago-Miranda and Deputy Hendren). Mr. Cordova then observed additional law enforcement officers approach the vehicle and provide medical assistance to the remaining occupants until the arrival of EMT's who assumed medical intervention.

Mr. Cordova did not know the occupants of the vehicle, nor can he recall seeing the vehicle before.

This concluded Mr. Cordova's statement. Mr. Cordova's audio-recorded statement is included as an enclosure to this report.

Denise Porter

On November 13, 2020, at approximately 12:30 p.m., BCSO Agent Jennifer Straight and Florida Department of Law Enforcement Special Agent Ryan Bliss conducted a voluntary, sworn audio-recorded interview with Denise Porter at her residence, 1306 Stetson Drive South, Cocoa, Brevard County, Florida. The residence is located on the west side of Stetson Drive South, two houses south of the intersection of Ivy Drive and Stetson Drive South.

Ms. Porter stated the following, in substance:

On November 13, 2020, Ms. Porter was working from home and at approximately 10:30 a.m., (actual time is documented as approximately 10:34 a.m.), Ms. Porter heard what she believed was six (6) to seven (7) consecutive gunshots within close proximity to her residence. Ms. Porter stated that following the suspected gunshots, she heard screaming by what she believed were mostly female voices. Ms. Porter could not see anything from inside her residence.

Ms. Porter looked through her residence windows towards 1301 Stetson Drive South, and observed a very tall, thin, black male (Jaquan Marice Kimbrough-Rucker) clothed in a long sleeve shirt or jacket, possibly orange/yellow in color, and long pants walking backwards with his hands up. Ms. Porter could not see where he (Jaquan Marice Kimbrough-Rucker) walked after he was in the street, as he walked out of her view.

Ms. Porter stated she could not see Mr. Kimbrough-Rucker well enough to say if she has seen him before. Ms. Porter advised she did not recognize the involved vehicle that was in front of 1301 South Stetson Drive.

This concluded Ms. Porter's statement. Ms. Porter's audio-recorded statement is included as an enclosure to this report.

Sean and Jennifer McDonel

On November 13, 2020, at approximately 12:40 p.m., BCSO Agent Jennifer Straight and Florida Department of Law Enforcement Special Agent Ryan Bliss conducted a voluntary, sworn audio-recorded interview with Mr. Sean McDonel and his wife, Mrs. Jennifer McDonel, at their residence, 1310 Stetson Drive South, Cocoa, Brevard County, Florida. The residence is located on the west side of Stetson Drive South, three houses south of the intersection of Ivy Drive and Stetson Drive South.

The McDonels stated the following, in substance:

At approximately 10:30 a.m. (actual time is documented as approximately 10:34 a.m.), Mr. and Mrs. McDonel were in their living room when Mr. McDonel heard between five (5) to seven (7) gunshots and instructed his wife to get down. When Mr. McDonel looked out of their residence window, he did not see anything. Mr. and Mrs. McDonel then heard somebody screaming and Mr. McDonel walked outside. When Mr. McDonel looked towards the residence of 1301 Stetson Drive South, he observed law enforcement providing CPR to whom he believed were the occupants of a vehicle. Mr. McDonel did not recognize the occupants of the vehicle nor the involved vehicle.

This concluded Mr. and Mrs. McDonel's statement. Mr. and Mrs. McDonel's audio-recorded statement is included as an enclosure to this report.

Barbara Turner-Griffith

On November 13, 2020, at approximately 12:44 p.m., BCSO Agent Jennifer Straight and Florida Department of Law Enforcement Special Agent Ryan Bliss conducted a voluntary, sworn audio-recorded interview with Barbara Turner-Griffith at her residence, 1309 Stetson Drive South, Cocoa, Brevard County, Florida. The residence is located on the east side of Stetson Drive South, three houses south of the intersection of Ivy Drive and Stetson Drive South.

Ms. Barbara Turner-Griffith stated the following, in substance:

On November 13, 2020, between 10:30 a.m. and 11:00 a.m. (actual time is documented as approximately 10:34 a.m.), she heard a sound outside that she had never heard before. She described the sound as, "a crazy noise." Ms. Turner-Griffith did not go outside to see what was going on.

This concluded Ms. Turner-Griffith's statement. Ms. Turner-Griffith's audio-recorded statement is included as an enclosure to this report.

Jeannette Guindon

On November 13, 2020, at approximately 12:55 p.m., BCSO Agent Jennifer Straight and Florida Department of Law Enforcement Special Agent Ryan Bliss conducted a voluntary, sworn audio-recorded interview with Jeannette Guindon at her residence, 1305 Stetson

Drive South, Cocoa, Brevard County, Florida. The residence is located on the east side of Stetson Drive South, directly south of 1301 Stetson South.

Ms. Jeannette Guindon stated the following, in substance:

On November 13, 2020, at approximately 10:30 a.m. (actual time is documented as approximately 10:34 a.m.), Ms. Guindon heard five (5) “big thuds” outside of her residence. She looked out of her front door, towards 1301 South Stetson Drive and observed Brevard County Sheriff’s Office vehicles parked on the roadway and a Deputy Sheriff (Deputy Carson Hendren) standing behind her patrol vehicle with a gun pointed in the direction of the house (1301 South Stetson Drive, Cocoa). Ms. Guindon then closed and locked her front door and watched the incident unfold through her front window. She observed a tall black male (Jaquan Marice Kimbrough-Rucker), wearing a hat, walk out from where Ms. Guindon believed was the residence of 1301 South Stetson Drive, with his hands up. Ms. Guindon then observed the male (Mr. Kimbrough-Rucker) kneel down where he was then handcuffed and placed into a Deputy Sheriff’s patrol vehicle. Ms. Guindon stated she heard screaming, but could not hear exact words due to her hearing loss. Ms. Guindon also advised she observed multiple law enforcement officers providing medical aid to an unknown person on the ground next to the house (1301 South Stetson Drive). Ms. Guindon stated she observed an ambulance arrive shortly after the initial commotion.

This concluded Ms. Guindon’s statement. Ms. Guindon’s audio-recorded statement is included as an enclosure to this report.

Jaquan Marice Kimbrough-Rucker

On November 13, 2020, at approximately 1:00 p.m., BCSO Agent Don Reynolds and Florida Department of Law Enforcement Special Agent Bradley Lewis conducted a voluntary, sworn audio-recorded interview with Jaquan Marice Kimbrough-Rucker at Brevard County Sheriff’s Office Criminal Investigative Services (CIS), 340 Gus Hipp Boulevard, Rockledge, Brevard County, Florida.

Mr. Kimbrough-Rucker stated the following, in substance:

On November 13, 2020, at approximately 10:00 a.m., Mr. Kimbrough-Rucker was in the area of 800 Fiske Boulevard, Cocoa, on a bicycle, when he made contact with a friend/associate he knew as “A.J.” (Angelo Crooms) who was driving a gray in color Volkswagen. The two of them engaged in a conversation about purchasing some marijuana. Mr. Kimbrough-Rucker entered the front passenger seat of the Volkswagen, which was occupied solely by the driver, Angelo Crooms.

He and Angelo Crooms drove from the area of 800 Fiske Boulevard to their friend/associate “Spud’s” (Sincere Pierce) residence (later identified as 1925 Exeter Drive, Cocoa).

While approaching the area of Dixon Boulevard and Clearlake Road, Mr. Kimbrough-Rucker stated he observed two BCSO patrol vehicles parked at the ABC Liquor Store (1105 Clearlake Road, Cocoa). Angelo Crooms drove west on Dixon Boulevard to Sincere Pierce's residence where Sincere Pierce entered the back passenger seat behind Angelo Crooms. Mr. Kimbrough-Rucker stated Angelo Crooms was speeding as he traveled on Dixon Boulevard.

At approximately 10:33 a.m., the three of them (Kimbrough-Rucker front seat passenger, Crooms driver and Pierce back seat driver side passenger) left Sincere Pierce's residence and traveled toward Ivy Drive. As they turned onto Ivy Drive and traveled west, Mr. Kimbrough-Rucker noticed two BCSO patrol vehicles behind their vehicle. Pierce stated, "Police behind us." Angelo Crooms then drove the vehicle south on Stetson Drive South and then pulled into an unknown residential driveway on the southwest side of Stetson Drive South (1302 Stetson Drive South) and immediately backed out, whereupon, the front of their vehicle faced north towards the two BCSO patrol vehicles, which were stopped side-by-side at the intersection. He stated both (uniformed) deputies were standing near the front of their marked BCSO vehicles with their handguns drawn, giving verbal commands for the driver to stop the vehicle.

Mr. Kimbrough-Rucker advised when they approached the stop sign, Angelo Crooms hesitated, as if he was contemplating what he should do. Angelo Crooms stopped the vehicle briefly and raised both his hands up from the steering wheel. Angelo Crooms looked the male deputy in the eyes as the deputies (FTO Jafet Santiago-Miranda and Deputy Carson Hendren) instructed them to stop. Mr. Kimbrough-Rucker advised the music in their vehicle was loud, but he recalled hearing the deputies give at least two verbal commands to stop.

Angelo Crooms then placed both hands back on the steering wheel, and told Mr. Kimbrough-Rucker to "sit back" and began to drive the vehicle forward while turning the wheel. Mr. Kimbrough-Rucker believed "sit back" meant there was nothing to worry about and that Angelo Crooms had everything under control. He stated Angelo Crooms proceeded to accelerate the vehicle slowly towards the deputies and turned the steering wheel towards the grass area between the deputies and the house on the corner (1301 Stetson Drive South). *Mr. Kimbrough-Rucker recalled seeing the male deputy (FTO Santiago-Miranda) shoot at Angelo Crooms.*

It should be noted that Kimbrough-Rucker's statement concerning the speed traveling towards the deputies, and direction, is inconsistent with the physical evidence to include the Event Data Recorder (EDR) information and witness statements.

After the Volkswagen was moved from its original position by BCSO Fleet Maintenance, a purple and gray SCCY CPX-1 9mm handgun with a black bandanna wrapped around its handle was found on the ground directly under the passenger side of the vehicle where Mr. Kimbrough-Rucker was seated and exited the vehicle. The serial number for the firearm was scratched out. A snapchat video recording was later obtained by law enforcement that depicted Mr. Kimbrough-Rucker with a handgun similar to the unique coloring of the recovered SCCY CPX-1 9mm handgun. The DNA results demonstrated

the presence of mixture consistent with three donors including at least one male contributor. Jaquan Kimbrough-Rucker is included as a possible contributor to the mixed DNA profile.

According to Mr. Kimbrough-Rucker, he didn't know why the deputies attempted to stop the vehicle. He stated the car was not stolen; it belonged to a female friend (Brooke Cooper) of Angelo Crooms. Mr. Kimbrough-Rucker believed Angelo Crooms refused to stop the vehicle because he did not have a driver's license, which he had learned prior to Angelo Crooms picking up Sincere Pierce.

Mr. Kimbrough-Rucker provided no further information and his statement was concluded.

Mr. Kimbrough-Rucker's audio-recorded statement is included as an enclosure to this report.

Leon Newsome

On November 13, 2020, at approximately 1:26 p.m., BCSO Agent Kyle Cummins conducted a voluntary, sworn audio-recorded interview with Leon Newsome at his residence, located at 1926 Ivy Drive, Cocoa, Brevard County, Florida, after observing the silver Volkswagen Passat bearing Florida registration tag **NWEG22**, previously reported stolen, pull into the driveway.

Mr. Newsome stated the following, in substance:

Mr. Newsome advised that the Volkswagen is registered to him and that he purchased it for his daughter, Kiara Newsome. On the morning of November 13, 2020, (unknown time), Kiara Newsome contacted Mr. Newsome and advised him that she reported the vehicle stolen. Kiara Newsome told Mr. Newsome that the vehicle was stolen from 800 Fiske Boulevard, Cocoa.

Later that morning, Mr. Newsome was contacted by an officer from the Cocoa Police Department (CPD Detective Anthony Colombo ID #18) and was informed that his vehicle was located on Allen Street in the city of Cocoa.

Mr. Newsome told Agent Cummins that he did not believe Kiara Newsome was being honest about the vehicle being stolen for the following reasons: Kiara Newsome reported that the vehicle was stolen from his residence, 1926 Ivy Drive, but she had told him that it was stolen from 800 Fiske Boulevard. Kiara Newsome was not at his residence on the night of November 12, 2020; therefore, the vehicle could not have been stolen from his residence, and when Mr. Newsome and Kiara Newsome responded to where the vehicle was recovered, Kiara Newsome did not want him to pursue criminal charges.

Mr. Newsome believed the truth was that Ms. Newsome fell asleep at her boyfriend's residence and either her boyfriend took her vehicle or she had loaned the vehicle to unknown person(s) and only reported it stolen when the vehicle was not returned. Mr. Newsome stated he did not know the name of Ms. Newsome's boyfriend.

This concluded Agent Cummins' interview with Mr. Newsome.

On November 13, 2020, at approximately 2:32 p.m., Agent Samantha Grimes briefly spoke with Mr. Leon Newsome at his residence located at 1926 Ivy Drive, Cocoa. Mr. Newsome advised that his daughter, Kiara Newsome, drives a silver Volkswagen Passat bearing Florida license plate **NWEG22**, which is registered to him. Mr. Newsome stated that earlier on November 13, 2020, Kiara Newsome called him and reported the vehicle was stolen from 800 Fiske Boulevard, Cocoa, to the Cocoa Police Department (CPD case number is 2020-00046781). Mr. Newsome informed Agent Grimes that Kiara Newsome had reported the car was stolen from their residence at 1926 Ivy Drive, Cocoa. Mr. Newsome signed a decline to prosecute affidavit with the Cocoa Police Department.

This concluded Mr. Newsome's statements. Mr. Newsome's audio-recorded statements are included as enclosures to this report.

Kiara Newsome

During Agent Grimes' interview with Mr. Newsome, Ms. Kiara Newsome arrived at the residence driving a black Infinity sedan bearing Florida registration tag C24UN. This vehicle is registered to Ms. Kiara Newsome, 1926 Ivy Drive, Cocoa.

Agent Grimes attempted to interview Ms. Newsome, but she refused to speak with Agent Grimes or cooperate with the investigation.

Shonna Wickens, Teresa Wickens, Terri Hancock

On November 13, 2020, at approximately 1:12 p.m., BCSO Agent Samantha Grimes and Florida Department of Law Enforcement Special Agent Christopher Shephard conducted a voluntary, sworn audio-recorded interview with Shonna Wickens, Teresa Wickens and Terri Hancock at their residence, located at 1934 Ivy Drive, Cocoa, Brevard County, Florida.

Shonna Wickens, Teresa Wickens and Terri Hancock stated the following, in substance:

On November 13, 2020, at approximately 10:30 a.m. (actual time is identified as approximately 10:34 a.m.), Ms. Shonna Wickens advised she was asleep and heard approximately five (5) consecutive gunshots. She got out of bed and observed a male deputy sheriff with his gun drawn (FTO Jafet Santiago-Miranda) and a tall, skinny, black male (Jaquan Marice Kimbrough-Rucker) with his hands up, walking backwards towards the deputy's direction. Ms. Shonna Wickens went outside and heard the deputy giving the following verbal commands, "put your hands up" and "walk back." Ms. Shonna Wickens advised that the black male (Jaquan Marice Kimbrough-Rucker) was compliant with the deputy's commands.

Ms. Terri Hancock and Ms. Teresa Wickens advised they observed the same as Ms. Shonna Wickens. Ms. Terri Hancock additionally stated she heard a female yelling, "That's my baby, that's my baby" and "You all shot my baby."

This concluded the statements of Shonna Wickens, Teresa Wickens and Terri Hancock. Their audio-recorded statements are included as enclosures to this report.

Sandra Dix

On November 13, 2020, at approximately 1:46 p.m., BCSO Agent Jennifer Straight and Florida Department of Law Enforcement Special Agent Ryan Bliss conducted a voluntary, sworn audio-recorded interview with Sandra Dix at 2103 Ivy Drive, Cocoa. Ms. Dix resides at 1301 Stetson Drive South, Cocoa, Brevard County, Florida. This is the residence where the Volkswagen, driven by Angelo Crooms, impacted and came to rest against.

Ms. Dix stated the following, in substance:

On the morning of November 13, 2020, Ms. Dix was at her residence doing school work with her two grandchildren, ages five (5) and thirteen (13). At approximately 10:30 a.m. (actual time is identified as approximately 10:34 a.m.), Ms. Dix's grandson was seated on a couch directly next to a front window of the residence, with his back towards the window. Ms. Dix was seated in the same room next to her granddaughter. When they heard a series of gunshots, Ms. Dix grabbed both of her grandchildren and pulled them to the ground. She observed the front window sill to be cracked. Ms. Dix and her grandchildren crawled to a bathroom in the back of the residence where they remained until law enforcement made contact with her. She stated, while still inside of her residence, she heard several people screaming and yelling statements of, "You killed my cousin. I'm gonna fuck you up; we gonna kill you crackers; y'all killed my people." Ms. Dix stated she did not see who yelled the statements, but assumed they yelled the statements at the law enforcement officers on scene.

Ms. Dix stated moments later, a family member of hers arrived at the residence and a law enforcement officer (Lieutenant Linda Moros) made arrangements for her and her grandchildren to leave the area. When Ms. Dix exited her residence, she observed a vehicle, which appeared to have crashed into the front of her residence.

Ms. Dix did not see anyone fire a weapon, she only heard the sound of gunshots. Ms. Dix stated she did not know the occupants of the vehicle that had crashed into her residence, nor had she ever seen the involved vehicle before.

This concluded Ms. Dix's statement. Ms. Dix's audio-recorded statement is included as an enclosure to this report.

It was later discovered that Ms. Dix personally video recorded 4 minutes and 18 seconds of Cocoa Fire Rescue and Brevard County Fire Rescue treating Angelo Crooms and Sincere Pierce in her front yard. This video recording was obtained by Florida Department of Law Enforcement Special Agent Lisa Gundrum and a copy of it was provided to me (BCSO Agent Carmen Minthorn). A copy of this recording is included as an enclosure to this report.

Connie Connors

On Friday, November 13, 2020, at approximately 1:57 p.m., BCSO Agent Samantha Grimes and Florida Department of Law Enforcement Special Agent Christopher Shephard conducted a voluntary, sworn audio-recorded interview with Connie Connors at her residence, 2006 Ivy Drive, Cocoa, Brevard County, Florida. This residence is located two (2) residences west of the intersection of Ivy Drive and Stetson Drive South.

Ms. Connie Connors stated the following, in substance:

On November 13, 2020, at approximately 10:30 a.m. (actual time is identified as approximately 10:34 a.m.), Ms. Connors was inside of her residence when she heard what she thought to be the sound of fireworks. Ms. Connors went outside and observed a female officer (Deputy Carson Hendren) with her gun drawn, walking from behind a patrol vehicle and into the yard of 1301 Stetson Drive South with a male deputy (FTO Santiago-Miranda). She heard the deputies giving verbal commands, such as, "turn the car off", "put your hands up" and "get out of the car." Ms. Connors observed a male passenger (Jaquan Marice Kimbrough-Rucker) place his hands out of a passenger window and exit the vehicle, complying with all commands given by deputies.

This concluded Ms. Connors' statement. Ms. Connors' audio-recorded statement is included as an enclosure to this report.

Brooke Cooper

On Friday, November 13, 2020, at approximately 3:17 p.m., BCSO Agent Samantha Grimes and Florida Department of Law Enforcement Special Agent Christopher Shephard conducted a voluntary, sworn audio-recorded interview with Brooke Cooper at Cocoa Fire Rescue, Station 1, located at 1740 Dixon Boulevard, Cocoa, Brevard County, Florida.

Ms. Cooper stated the following, in substance:

Ms. Cooper is the registered owner of the gray 2015 Volkswagen Passat, bearing Florida registration tag **NWEG04**, vehicle identification number 1VWAT7A3XFC082787 and registered address: 1972 Otterbein Avenue, Cocoa.

Ms. Cooper has known "AJ" (Angelo Crooms) and "Spud" (Sincere Pierce) for approximately one and a half years. Ms. Cooper stated she and Angelo Crooms were involved in a romantic relationship. Ms. Cooper stated they were usually always together unless Ms. Cooper was at work.

On November 12, 2020, Angelo Crooms stayed the night with Ms. Cooper at her residence located at 1671 Owosso Street, Cocoa.

Upon awakening on the morning of November 13, 2020, Angelo Crooms and Ms. Cooper took her children to school and then drove her sister to work. At approximately 9:00 a.m., Crooms dropped Ms. Cooper off at work at Papa John's, located at 209 S. Cocoa

Boulevard, Cocoa. Ms. Cooper gave Angelo Crooms permission to drive her gray 2015 Volkswagen Passat, Florida registration tag **NWEG04**. Angelo Crooms told Ms. Cooper he was going to go home to take a shower and then go pick up Sincere Pierce. Ms. Cooper stated it was typical for Angelo Crooms and Sincere Pierce to often socialize together.

Angelo Crooms and Sincere Pierce both share their cellular telephone GPS locations with Ms. Cooper via the "Find My iPhone" application on their respective cellular telephones. Sometime after Angelo Crooms dropped her off at work, Ms. Cooper checked their locations on the application and observed their location was at Sincere Pierce's grandmother's residence on Exeter Drive, Cocoa. Shortly after, Ms. Cooper stated she received word from "friends" about the interaction with the deputies and left work with her mother, Elizabeth Patrick. Ms. Cooper then went to [REDACTED].

Ms. Cooper would not identify the "friends" that had informed her of the incident.

Ms. Cooper said it was common for Angelo Crooms and Sincere Pierce to carry firearms on their persons; however, she did not believe Angelo Crooms was in possession of a firearm on that particular day because she did not observe him with one while she was with him. Ms. Cooper stated she did not believe either Angelo Crooms or Sincere Pierce would have used their firearms against law enforcement officers.

This concluded Ms. Cooper's statement. Ms. Cooper's audio-recorded statement is included as an enclosure to this report.

Cocoa Fire Rescue District Chief Tom Redman - Station 1

On Friday, November 13, 2020, at approximately 2:40 p.m. BCSO Agent Samantha Grimes and Florida Department of Law Enforcement Special Agent Christopher Shephard conducted a voluntary, sworn audio-recorded interview with Cocoa Fire Rescue (CFR) District Chief Tom Redman at Cocoa Fire Rescue, Station 1, located at 1740 Dixon Boulevard, Cocoa, Brevard County, Florida.

District Chief Tom Redman stated the following, in substance:

On November 13, 2020, District Chief Redman was stationed at CFR Station 1. At approximately 10:40 a.m., District Chief Redman was dispatched to the area of Ivy Drive and Stetson Drive South, Cocoa. Due to the close proximity of the crime scene to CFR Station 1, District Chief Redman was the first rescue unit on scene. Upon arrival, he observed a vehicle in the front yard of a residence at the corner of Ivy Drive and Stetson Drive (1301 Stetson Drive South). District Chief Redman observed a deputy (Deputy Ezra Dominguez) performing CPR compressions on an individual (Angelo Crooms) lying on the ground next to the driver's side of the vehicle. District Chief Redman approached Deputy Dominguez and assessed Angelo Crooms' condition. During District Chief Redman's initial assessment of Angelo Crooms, no signs of life were detected.

District Chief Redman learned that a second individual (Sincere Pierce) was on the passenger side of the vehicle. District Chief Redman went to the passenger side of the vehicle and completed an initial assessment of Sincere Pierce, at which time he detected no signs of life. Sincere Pierce had an "obvious gunshot wound" near the right side of his neck. District Chief Redman then went back to check Angelo Crooms to assess any injuries he may have sustained. District Chief Redman observed what he thought were two suspected gunshot wounds to the back of Angelo Crooms' head.

As other Fire Rescue units arrived on scene, District Chief Redman quickly briefed them on the conditions of Angelo Crooms and Sincere Pierce. District Chief Redman deemed Angelo Crooms as the highest priority at that time and directed the first rescue crew that arrived to treat Angelo Crooms.

District Chief Redman returned to Sincere Pierce and assisted the law enforcement officer (CPD FTO Hernandez-Martin) that was conducting his CPR compressions. District Chief Redman overheard a comment that Sincere Pierce had a firearm on his person. He did not recall exactly who he heard speaking about the firearm. Upon further observation, he observed a firearm tucked in the right side waistline of Sincere Pierce's pants. District Chief Redman briefly observed the firearm's handle and in his opinion, believed it to be a small caliber frame. The firearm was not housed in a holster and it was tucked under Sincere Pierce's shorts and underwear. District Chief Redman alerted CPD FTO Hernandez-Martin of the firearm, who had already been made aware of the firearm by Deputy Carson Hendren. District Chief Redman then responded back to Angelo Crooms and patted him down for weapons. District Chief Redman did not discover any weapons on Angelo Crooms.

Angelo Crooms and Sincere Pierce were unresponsive the entire time District Chief Redman was in contact with them.

This concluded District Chief Redman's statement. District Chief Redman's audio-recorded statement is included as an enclosure to this report.

Cocoa Fire Rescue Lieutenant Kevin Mulligan - Station 1

On Friday, November 13, 2020, at approximately 2:53 p.m., BCSO Agent Samantha Grimes and Florida Department of Law Enforcement Special Agent Christopher Shephard conducted a voluntary, sworn audio-recorded interview with Cocoa Fire Rescue Lieutenant Kevin Mulligan at Cocoa Fire Rescue, Station 1, located at 1740 Dixon Boulevard, Cocoa, Brevard County, Florida.

Lieutenant Kevin Mulligan stated the following, in substance:

Lieutenant Mulligan's involvement on November 13, 2020, consisted of gathering equipment near the passenger side of the vehicle (Volkswagen), which was used to treat Sincere Pierce. Due to the passenger front door being open, Lieutenant Mulligan observed what was described as an orange plastic toy gun on the floor board of the front passenger area. Lieutenant Mulligan had no other involvement with this incident.

This concluded Lieutenant Mulligan's statement. Lieutenant Mulligan's audio-recorded statement is included as an enclosure to this report.

Cocoa Fire Rescue Firefighter/EMT Morgan Taylor – Station 1

On Friday, November 13, 2020, at approximately 2:57 p.m., BCSO Agent Samantha Grimes and Florida Department of Law Enforcement Special Agent Christopher Shephard conducted a voluntary, sworn audio-recorded interview with Cocoa Fire Rescue Firefighter/EMT (FFEMT) Morgan Taylor at Cocoa Fire Rescue, Station 1, located at 1740 Dixon Boulevard, Cocoa, Brevard County, Florida.

FFEMT Morgan Taylor stated the following, in substance:

On November 13, 2020, at 10:45 a.m., FFEMT Taylor arrived at 1301 Stetson Drive South. FFEMT Taylor observed law enforcement (Deputy Ezra Dominguez and Cocoa Police Department FTO Luis Hernandez-Martin) administering cardiopulmonary resuscitation chest compressions to two males (Angelo Crooms and Sincere Pierce), who were lying on each side of the vehicle. FFEMT Taylor and Lieutenant Edward Mohesky assessed and treated the male on the passenger side of the vehicle (Sincere Pierce). Sincere Pierce was not breathing and did not have a pulse. FFEMT Taylor and Lieutenant Mohesky utilized the Lucas device on Sincere Pierce, which is a device that performs CPR chest compressions and an Ambu-bag to administer rescue breaths.

FFEMT Taylor rode in the back of the ambulance that transported Sincere Pierce to [REDACTED] While inside the ambulance (Rescue #45), FFEMT Taylor provided oxygen to Sincere Pierce by use of an Ambu-bag while the LUCAS device continued to administer compressions.

FFEMT Taylor observed what appeared to be a single gunshot wound to the right side of Sincere Pierce's neck and did not observe an exit wound.

Sincere Pierce was never responsive and never spoke in FFEMT Taylor's presence.

This concluded FFEMT Taylor's statement. FFEMT Taylor's audio-recorded statement is included as an enclosure to this report.

Cocoa Fire Rescue Driver Operator Paramedic Matt Houyouse – Station 1

On Friday, November 13, 2020, at approximately 3:03 p.m., BCSO Agent Samantha Grimes and Florida Department of Law Enforcement Special Agent Christopher Shephard conducted a voluntary, sworn audio-recorded interview with Cocoa Fire Rescue Driver Operator Paramedic Matt Houyouse at Cocoa Fire Rescue, Station 1, located at 1740 Dixon Boulevard, Cocoa, Brevard County, Florida.

Paramedic Matt Houyouse stated the following, in substance:

On November 13, 2020, Paramedic Houyouse arrived on scene at 10:45 a.m., and observed law enforcement officers (Deputy Ezra Dominguez and Cocoa Police Department FTO Luis Hernandez-Martin) administering cardiopulmonary resuscitation to two victims (Angelo Crooms and Sincere Pierce) lying on the ground. He assessed both males to determine which one required immediate assistance while awaiting other Fire Rescue personnel to arrive. Paramedic Houyouse observed the male (Angelo Crooms) on the driver's side of the vehicle to have what he believed to be a gunshot wound to his head, with exposed brain matter. Paramedic Houyouse treated Angelo Crooms along with two other Rescue units from Brevard County Fire Rescue (Lieutenant Fire-medical Scott Roberts and Fire-medical Bradley Hayes).

Paramedic Houyouse's initial assessment of Angelo Crooms led him to believe he (Angelo Crooms) was in a medical state known as Pulseless Electrical Activity (P.E.A.). However, Paramedic Houyouse observed Crooms to have agonal respirations and a pulse. Paramedic Houyouse, Brevard County Fire Rescue Lieutenant Fire-medical Scott Roberts and Fire-medical Bradley Hayes provided oxygen through use of an Ambu-bag, initiated an IV, intubated Angelo Crooms, sedated him utilizing Succinylcholine and placed him in an ambulance for transport. Due to Angelo Crooms having a pulse, they did not administer any additional compressions. During intubation, Angelo Crooms vomited, which, according to Paramedic Houyouse, is a common response. Paramedic Houyouse drove BCFR station #46's ambulance to [REDACTED] and BCFR Lieutenant Fire-medical Roberts and Fire-medical Hayes continued treatment of Angelo Crooms in the back of the ambulance.

Angelo Crooms maintained a pulse from the time he was in the ambulance until he arrived at [REDACTED], at which time, he was turned over to hospital personnel for medical treatment. At [REDACTED], Paramedic Houyouse observed what he believed was an additional suspected gunshot wound to Angelo Crooms' back left shoulder area. Angelo Crooms also suffered a "priapism" at [REDACTED], which Paramedic Houyouse stated could be indicative of a back injury.

Paramedic Houyouse advised that Angelo Crooms was unresponsive and never spoke in his presence.

This concluded Paramedic Houyouse's statement. Paramedic Houyouse's audio-recorded statement is included as an enclosure to this report.

Cocoa Fire Rescue Lieutenant Edward Mothesky - Station 1

On Friday, November 13, 2020, at approximately 3:10 p.m., BCSO Agent Samantha Grimes and Florida Department of Law Enforcement Special Agent Christopher Shephard conducted a voluntary, sworn audio-recorded interview with Cocoa Fire Rescue Lieutenant Edward Mothesky at Cocoa Fire Rescue, Station 1, located at 1740 Dixon Boulevard, Cocoa, Brevard County, Florida.

Lieutenant Edward Mothesky stated the following, in substance:

On November 13, 2020, at 10:45 a.m., Lieutenant Mohesky arrived at 1301 Stetson Drive South. Upon arrival to the scene, Lieutenant Mohesky observed a vehicle that looked like it had crashed into a house (Volkswagen) and two males (Angelo Crooms and Sincere Pierce) who were lying on the ground, one on each side of the vehicle, being tended to by Cocoa Fire Rescue personnel. Because there were less personnel tending to the male on the passenger side of the vehicle, (Sincere Pierce), Lieutenant Mohesky assisted with providing lifesaving measures to that patient. Lieutenant Mohesky utilized the Ambu-bag to provide oxygen to Sincere Pierce while the Lucas Device performed compressions. Lieutenant Mulligan started an IV and District Chief Tom Redman started on placement of an airway.

Lieutenant Mohesky observed what he believed to be one suspected gunshot wound to Sincere Pierce's "neck or upper chest area." Sincere Pierce was rolled over to check for additional wounds with no other injuries observed.

Lieutenant Mohesky advised that the male (Sincere Pierce) was unresponsive and never spoke in his presence.

This concluded Lieutenant Mohesky's statement. Lieutenant Mohesky's audio-recorded statement is included as an enclosure to this report.

The Cocoa Fire Rescue Incident #2020-00004775 Report is included as an enclosure to this report.

Brevard County Fire Rescue Lieutenant Fire-medics Scott Roberts – Station 46

On Wednesday, January 6, 2021, at approximately 8:13 a.m., I (BCSO Agent Carmen Minthorn) conducted a voluntary, sworn audio-recorded interview with Brevard County Fire Rescue Lieutenant Fire-medics Scott Roberts at Brevard County Fire Rescue, Station 46, located at 114 S. Fiske Boulevard, Cocoa, Brevard County, Florida.

Lieutenant Scott Roberts stated the following, in substance:

On November 13, 2020, Lieutenant Roberts was stationed at BCFR Station 46. At 10:40 a.m., he and Fire-medics Bradley Hayes received a call for service regarding a gunshot wound with the scene secured by the Brevard County Sheriff's Office. Due to the congestion surrounding the crime scene, Lieutenant Roberts and Fire-medics Hayes had to park approximately 75 yards from the actual crime scene.

At 10:46 a.m., they arrived on scene and approached a male (Angelo Crooms) who was lying on the ground next to the driver's side of the vehicle and being provided CPR by a deputy (Deputy Ezra Dominguez). Lieutenant Roberts observed Angelo Crooms had what he believed to be one suspected gunshot wound to the left side of his head. Lieutenant Roberts and Fire-medics Hayes assumed providing lifesaving support to Angelo Crooms and obtained a pulse. They loaded Angelo Crooms onto a stretcher and quickly moved him to the ambulance for transport.

Lieutenant Roberts became aware there was an additional patient (Sincere Pierce) on the ground on the passenger side of the vehicle that was being treated by Cocoa Fire Rescue personnel (Lieutenant Edward Mohesky and FFEMT Morgan Taylor) who ultimately transported him to RPMC. Lieutenant Roberts never came into contact with Sincere Pierce.

Upon loading Angelo Crooms into the ambulance, Lieutenant Roberts and Fire-medic Hayes began advanced lifesaving interventions that included intubation, ET tubes, IV access and administering fluids and medications. At 11:03 a.m., Cocoa Fire Rescue Paramedic Matt Houyouse drove the ambulance to [REDACTED]. Angelo Crooms maintained a pulse during the entire transport to [REDACTED]. Upon arrival to [REDACTED], Angelo Crooms was turned over to [REDACTED] medical personnel for medical treatment.

Lieutenant Roberts stated he was not aware that the incident was an officer involved shooting until being advised so by personnel at [REDACTED]. Lieutenant Roberts stated he did not feel safe while at the scene due to the civilians surrounding the immediate outer perimeter of the crime scene who were continuously making vulgar statements. He advised that the law enforcement officers who were present did a great job of keeping them safe and maintaining scene security while they performed their lifesaving efforts.

This concluded Lieutenant Roberts' involvement. Lieutenant Roberts' audio-recorded statement is included as an enclosure to this report.

Brevard County Fire Rescue Fire-medic Bradley Hayes – Station 46

On Wednesday, January 6, 2021, at approximately 8:27 a.m., I (BCSO Agent Carmen Minthorn) conducted a voluntary, sworn audio-recorded interview with Brevard County Fire Rescue Fire-medic Bradley Hayes at Brevard County Fire Rescue, Station 46, located at 114 S. Fiske Boulevard, Cocoa, Brevard County, Florida.

Fire-medic Bradley Hayes stated the following, in substance:

On November 13, 2020, Fire-medic Hayes was stationed at BCFR Station 46. At 10:40 a.m., he and Lieutenant Fire-medic Scott Roberts received a call for service regarding a gunshot wound with the scene secured by the Brevard County Sheriff's Office.

Upon arrival at 10:46 a.m., Fire-medic Hayes observed several Brevard County Sheriff's Office deputies, Cocoa Police Department officers and Cocoa Fire Rescue personnel on scene. Fire-medic Hayes observed a male (Angelo Crooms) lying on the ground next to the driver's side of a vehicle, with CPR being performed on him by a BCSO deputy or CPD Officer (BCSO Deputy Ezra Dominguez) and being assisted by CFR personnel.

Due to the scene being "hectic", they conducted "a load and go" which was explained by Fire-medic Hayes as "they quickly loaded Angelo Crooms onto a stretcher and loaded him into the ambulance, while continuing CPR the entire time." At 11:03 a.m., a CFR Paramedic (Matt Houyouse) drove the ambulance to [REDACTED].

While in the back of the ambulance, Fire-medics Hayes intubated Crooms and Lieutenant Roberts obtained IV access and administered medications. Additionally, they cut Angelo Crooms' clothing off and fully assessed his body for injuries. Fire-medics Hayes observed what he believed as a suspected gunshot wound to the left side of Angelo Crooms' head and two wounds to his left shoulder. Because a pulse was obtained, CPR was discontinued and Crooms' airway was secured. Upon arrival to [REDACTED], Angelo Crooms was turned over to [REDACTED] medical personnel for medical treatment.

This concluded Fire-medics Hayes' involvement. Fire-medics Hayes' audio-recorded statement is included as an enclosure to this report.

Brevard County Fire Rescue Lieutenant Fire-medics Laddie Rutkowski – Station 1

On Wednesday, January 6, 2021, at approximately 6:49 p.m., I (BCSO Agent Carmen Minthorn) conducted a voluntary, sworn audio-recorded interview with Brevard County Fire Rescue Lieutenant Fire-medics Laddie Rutkowski. *(Lieutenant Rutkowski is a floater who is assigned to various stations throughout the county each shift. Due to Lieutenant Rutkowski's availability, it was necessary to conduct a telephonic interview with him.)*

Lieutenant Laddie Rutkowski stated the following, in substance:

On November 13, 2020, Lieutenant Rutkowski was stationed at Rockledge Fire Rescue Station 1 and assigned to BCFR Rescue 45. At 10:53 a.m., he was dispatched to a call for service at an apartment complex off of Dixon Boulevard, Cocoa. As he arrived at the aforementioned call for service, he was requested to leave that scene and respond to a call for service regarding a "shooting."

At 10:56 a.m., Lieutenant Rutkowski arrived and parked a couple of blocks away from the scene due to the "congestion." Lieutenant Rutkowski walked to the actual crime scene. Lieutenant Rutkowski observed a male (Sincere Pierce) lying on the ground being treated by Cocoa Fire Rescue (CFR). CFR had already placed Pierce on a back board, began CPR on him utilizing a LUCAS device, intubated him, and started an IV prior to Lieutenant Rutkowski's arrival.

As soon as law enforcement vehicles were moved and the ambulance was brought closer to the crime scene, Sincere Pierce was loaded into Rescue 45 and transported to [REDACTED]. While enroute, Lieutenant Rutkowski observed Pierce to have what he believed to be a gunshot wound to the mid-right clavicle area. He and CFR personnel (CFR Firefighter/EMT Morgan Taylor) continued to follow cardiac arrest protocol during the entire transport. Upon arrival to [REDACTED], Sincere Pierce was turned over to medical staff and ultimately pronounced deceased by [REDACTED] Emergency Room Doctor P. Benerjee.

Lieutenant Rutkowski stated Pierce was never responsive, nor showed any signs of life during his contact with him.

This concluded Lieutenant Rutkowski's involvement. Lieutenant Rutkowski's audio-recorded statement is included as an enclosure to this report.

The Brevard County Fire Rescue Patient Care Record is included as enclosures to this report (*BCFR Incident Number BC200078162*).

Computer Aided Dispatch (CAD) Report and Radio Traffic

Brevard County Sheriff's Office - CAD Report and Radio Traffic

On November 13, 2020, at approximately 10:17 a.m., Brevard County Sheriff's Office (BCSO) Deputy Ezra Dominguez advised the Communications Center he intended to conduct a traffic stop on grey Volkswagen driven by a black male and bearing Florida registration tag **NWEG22**, near the intersection of Highway 528 and southbound Highway US 1, Cocoa, Brevard County, Florida.

At approximately 10:18 a.m., Deputy Dominguez informed the BCSO Communications Center, via radio, that the aforementioned vehicle was fleeing southbound at a high rate of speed near the intersection of US 1 and Michigan Avenue, Cocoa, and he discontinued the traffic stop attempt. Deputy Dominguez advised he was going back to America's Best Value Inn, located at 3220 North Cocoa Boulevard, Cocoa, to confirm if it was the same vehicle he previously observed when he conducted a business patrol. Sergeant Carl Sangeleer asked what address was on the registration of the vehicle, at which time the BCSO Communications Center advised it was Ivy Drive in Cocoa. Deputy Dominguez requested an available zone unit to respond to the area of Ivy Drive in the City of Cocoa to look for the aforementioned vehicle. FTO Jafet Santiago-Miranda advised he would be enroute.

At approximately 10:26 a.m., FTO Santiago-Miranda advised the BCSO Communications Center that he observed a silver Passat travel eastbound on Highway 520 and he intended to verify the registration tag. Additionally, at approximately 10:26 a.m., Deputy Carson Hendren utilized her terminal to place herself on the call. FTO Santiago-Miranda asked if the vehicle had tinted windows and Deputy Dominguez confirmed the Volkswagen that fled from him did. At approximately 10:27 a.m., FTO Santiago-Miranda advised BCSO Communications Center the vehicle he observed was not the vehicle Deputy Dominguez attempted to stop and that he was back enroute to Ivy Drive.

At approximately 10:30 a.m., [REDACTED] called 911 and reported to BCSO Communications Center that [REDACTED] vehicle, which she described as a "2015 or 2016 silver Volkswagen Passat," registered to [REDACTED] (Leon Newsome), had been stolen from "1930 Ivy Drive, Cocoa, Florida, 32922," and had Florida registration tag "**NWEG22**" attached. [REDACTED] stated it was a new purchase, so she was not sure exactly what year the vehicle was. This information was relayed by BCSO dispatch to deputies over the radio.

At approximately 10:33 a.m., FTO Santiago-Miranda informed BCSO Communications Center he believed “they” had the vehicle. At 10:33 a.m., Deputy Carson Hendren advised that the registration tag of the vehicle was **NWEG04** and their location was Stetson Drive. At approximately 10:33 a.m., FTO Santiago-Miranda stated to BCSO Communications Center, “10-33” and Deputy Hendren stated, “We have one at gunpoint.” At approximately 10:34 a.m., Deputy Hendren advised, “shots fired, shots fired.”

The audio recording of the radio traffic is included as an enclosure to this report.

Cocoa Fire Rescue CAD Report – Station 1

The Cocoa Fire Rescue (CFR) CAD report (2020-00004775) indicated on November 13, 2020, at approximately 10:40 a.m., CFR Engine 33 and CFD TWR 32 responded to the intersection of Ivy Drive and Stetson Drive South, Cocoa, Brevard County, Florida in reference to a shooting. CFR arrived on scene at approximately 10:45 a.m. and provided medical care to Angelo Crooms and Sincere Pierce. CFR personnel assisted Brevard County Fire Rescue with transporting Crooms and Pierce to [REDACTED]. The remaining CFR personnel departed the scene at 11:29 a.m.

Brevard County Fire Rescue CAD Report – Station 45 and 46

The Brevard County Fire Rescue (BCFR) CAD report (BC200078162) documented on November 13, 2020, at approximately 10:40 a.m., Rescue 45 and Rescue 46 responded to the intersection of Ivy Drive and Stetson Drive South, Cocoa, Brevard County, Florida in reference to a penetrating trauma. BCFR Rescue #46 arrived on scene at approximately 10:46 a.m. and assisted Cocoa Fire Rescue (CFR) with providing medical care to Angelo Crooms. BCFR Rescue #45 arrived on scene at approximately 10:56 a.m. and assisted Cocoa Fire Rescue (CFR) with providing medical care to Sincere Pierce.

At 11:03 a.m., BCFR Rescue #46 departed the scene and transported Angelo Crooms to [REDACTED], with the assistance of CFR. At 11:11 a.m., BCFR Rescue #46 arrived at [REDACTED]. At 11:49 a.m., BCFR Rescue #46 left [REDACTED].

At 11:13 a.m., BCFR Rescue #45 departed the scene and transported Sincere Pierce to [REDACTED], with the assistance of CFR. At 11:26 a.m., BCFR Rescue #45 arrived at [REDACTED]. At 11:47 a.m., BCFR Rescue #45 left [REDACTED].

Crime Scene

On Friday, November 13, 2020, at approximately 11:48 a.m., BCSO Agent Jennifer Straight, BCSO Agent Samantha Grimes and I (BCSO Agent Carmen Minthorn) arrived at the intersection of Ivy Drive and Stetson Drive South, Cocoa, Brevard County, Florida.

Upon arrival, we were advised Angelo Crooms and Sincere Pierce both suffered from gunshot wounds and were both transported to [REDACTED].

The following is a synopsis of the aforementioned investigative assignments and documentation. The case report and associated supplemental reports are attached as enclosures.

**Angelo Crooms – [REDACTED] AR 18 and [REDACTED]
[REDACTED] AR 4**

On Friday, November 13, 2020, at approximately 11:03 a.m., Angelo Crooms was transported by Brevard County Fire Rescue Medic Unit #46 to [REDACTED], Brevard County, Florida. Crooms received medical intervention in [REDACTED] Acute Resuscitation Room 18 in the Emergency Department until transported, by air, to [REDACTED], Brevard County, Florida.

On Friday, November 13, 2020, at approximately 11:30 a.m., Crime Scene Investigator (CSI) Faith Adkins responded to [REDACTED] Acute Resuscitation Room 18 of the Emergency Department and documented it with photographs. Additionally, CSI Adkins documented the following items that belonged to Angelo Crooms, which were left in [REDACTED] AR Room 18 when he was transported to [REDACTED]: clothing, black shoes, a bandana and a keychain.

CSI Adkins collected and documented the following items, as evidence on a property receipt and transported them to Brevard County Sheriff's Office Criminal Investigative Services, 340 Gus Hipp Boulevard, Rockledge, where they were secured within a Crime Scene Unit drying chamber and later photographed:

FA2: One (1) black and white bandana
FA3: Two (2) white, blue, and gray socks w/suspected blood
FA4: One (1) black pair of shoes
FA5: One (1) blue, black, and red Ethika underwear (cut) w/suspected blood
FA6: One (1) pair of black American Eagle 34 x 34 jeans (cut) w/belt and suspected blood
FA7: One (1) black zip-up hooded jacket (cut) Yoki brand w/suspected blood
FA8: One (1) car key on keychain w/lighter in lighter leash
FA8a: Two (2) yellow metal keys w/tag

The SD card used by CSI Adkins to take photographs was documented on a property receipt as follows:

FA11: One (1) SD card containing photographs taken by CSI F. Adkins, 4282
The liners from the drying chamber were collected and listed on a property receipt as follows:

FA10: Three (3) drying chamber liners from Angelo Crooms' clothing

On Friday, November 13, 2020, at approximately 12:54 p.m., BCSO West Precinct General Crimes Unit Agent Nalicia Bailey responded to [REDACTED] Acute Resuscitation Room 4 of the Emergency Department. Agent Bailey documented Angelo Crooms with photographs, utilizing her agency issued cellular telephone. Crooms had a wound on the

left side of his head. Agent Bailey placed the aforementioned photographs on a CD and provided the CD to me (BCSO Agent Carmen Minthorn). These photographs were included as enclosures to this report.

Sincere Pierce – [REDACTED] Room AR 19

On Friday, November 13, 2020, at approximately 11:13 a.m., Sincere Pierce was transported by Brevard County Fire Rescue Medic Unit #45 to [REDACTED], Brevard County, Florida. Pierce received medical intervention in [REDACTED] Acute Resuscitation (AR) Room 19 in the Emergency Department.

Immediately following the documentation of [REDACTED] AR 18, CSI Faith Adkins responded to AR 19 of the Emergency Department. CSI Adkins documented Sincere Pierce with photographs, utilizing a Nikon D7200 digital camera, and collected evidence.

CSI Adkins collected and documented the following item as evidence on a property receipt and transported it to Brevard County Sheriff's Office Criminal Investigative Services building, 340 Gus Hipp Boulevard, Rockledge, where it was secured within a Crime Scene Unit drying chamber and later photographed:

FA1: One (1) black (cut) t-shirt w/design and suspected blood

The liner from the drying chamber was collected and listed on a property receipt as follows:

FA9: One (1) drying chamber liner from Sincere Pierce clothing

The SD card used by CSI Adkins to take photographs was documented on a property receipt as follows:

FA11: One (1) SD card containing photographs taken by CSI F. Adkins, 4282

FTO Jafet Santiago-Miranda – BCSO Criminal Investigative Services

CSI Phillip Miranda photographed FTO Jafet Santiago-Miranda and his firearm at Brevard County Sheriff's Office Criminal Investigative Services, 340 Gus Hipp Boulevard, Rockledge, Brevard County, Florida. FTO Santiago-Miranda's firearm was identified as a [REDACTED] with magazine and a TLR-1 stream light affixed to the weapon. [REDACTED] white metal cartridge with headstamp [REDACTED] was in the chamber. The [REDACTED] magazine contained [REDACTED] white metal cartridges with headstamps [REDACTED]." FTO Santiago-Miranda also had [REDACTED] magazines affixed to his duty gun belt, each with [REDACTED] white metal cartridges with headstamps "[REDACTED]." Suspected dirt on the front right pant leg of FTO Santiago-Miranda's pants was also photographed.

The following items were collected from FTO Santiago-Miranda's person and documented on a property receipt, as follows:

Item PJ1: [REDACTED]

Item PJ1A: [REDACTED] white metal cartridges [REDACTED]"

Item PJ1B: [REDACTED] white metal cartridge [REDACTED]"

Item PJ2: One (1) pair of green uniform pants

Deputy Carson Hendren – BCSO Criminal Investigative Services

CSI Phillip Miranda photographed Deputy Carson Hendren and her firearm at Brevard County Sheriff's Office Criminal Investigative Services, 340 Gus Hipp Boulevard, Rockledge, Brevard County, Florida. The firearm was a loaded [REDACTED] [REDACTED] with a TLR-1 stream light. The [REDACTED] magazine contained [REDACTED] white metal cartridges [REDACTED]". [REDACTED] [REDACTED] was in the chamber. Deputy Hendren also had [REDACTED] magazines which contained [REDACTED] each affixed to her duty gun belt.

Jaquan Marice Kimbrough-Rucker – BCSO Criminal Investigative Services

CSI Phillip Miranda photographed Jaquan Marice Kimbrough-Rucker at Brevard County Sheriff's Office Criminal Investigative Services, 340 Gus Hipp Boulevard, Rockledge, Brevard County, Florida. Additionally, with the consent of Mr. Kimbrough-Rucker, CSI Miranda collected a set of buccal swabs from him. The buccal swabs were collected and documented on a property receipt, as follows:

Item JK1: One (1) set of buccal swabs- Jaquan Kimbrough

Incident location, which consisted of the intersection of Ivy Drive and Stetson Drive South and 1301 Stetson Drive South

On November 13, 2020, at approximately 10:39 a.m., Brevard County Sheriff's Office Deputies secured the crime scene located at the intersection of Ivy Drive and Stetson Drive South, Cocoa, Brevard County, Florida, which extended from the south side of the intersection to the front yard and the west exterior wall of 1301 Stetson Drive South.

BCSO Crime Scene Investigator (CSI) Conrad Schneider was identified as the lead CSI, where he documented, collected and preserved the evidence discovered at this location. CSI Jenna Gardner assisted CSI Schneider and scanned the scene with a FARO Focus 3D S70 laser scanner and later created a three dimensional diagram of the scene using FARO's Scene software and the scans taken of the scene. The scans and processed data from the Scene software were stored onto a SD card. The SD card was documented on a BCSO property receipt as follows:

JG1: One (1) SD card containing FARO scans of the scene.

CSI Schneider documented the intersection of Ivy Drive and Stetson Drive South, Cocoa, Florida, as follows:

Ivy Drive extends east and west and Stetson Drive South extends north and south. 1302 Stetson Drive South is located on the southwest corner of the intersection, with its driveway extending east toward Stetson Drive South. 1301 Stetson Drive South is located on the southeast corner of the intersection, with its driveway extending west to Stetson Drive South.

Deputy Carson Hendren's marked BCSO Ford Interceptor (unit #2621) was parked immediately south of the intersection on Stetson Drive South and facing southwest. Deputy Hendren's in-car video camera was mounted to the ceiling of the vehicle with the placement of the camera lens to the right of the rear view mirror. Neither Deputy Hendren's video camera, nor her emergency lights were activated during this interaction.

FTO Jafet Santiago-Miranda's marked BCSO Ford Explorer (unit #91727) was parked immediately east of Deputy Hendren's vehicle, facing southwest with its emergency lights on. FTO Santiago-Miranda's in-car video camera was mounted to the ceiling of the vehicle with a placement of the camera lens directly below the rear view mirror. The camera was on and captured a view that extended from the driveway of 1302 Stetson Drive South to the driveway of 1301 Stetson Drive South. A black Cookies brand shoulder bag was on the ground near the front passenger tire of FTO Santiago-Miranda's vehicle. The bag contained miscellaneous personal items including a Florida Identification Card issued to Jaquan Marice Kimbrough-Rucker.

Within the trunk of Deputy Hendren's vehicle was the firearm, a cartridge removed from the chamber of the firearm and a magazine containing four additional cartridges seized from Sincere Pierce by Cocoa Police Department FTO Luis Hernandez-Martin and secured by BCSO Sergeant Carl Sangeleer. The firearm was identified as a Walther PK380, .380 caliber handgun and serial number WB085799 (the firearm was later determined not stolen by the BCSO Judicial Process Unit and confirmed a second time by BCSO Investigative Analyst L. Cline, ID #1046). The Walther PK380 was entered into the Bureau of Alcohol, Tobacco, Firearms, and Explosives National Tracing Center (eTrace) with a trace number as follows: TT20200452588.

Two [REDACTED] cartridge cases (documented with Photo Marker (PM) 1 and PM 2) were on the roadway immediately south of FTO Santiago-Miranda's vehicle. Two [REDACTED] cartridge cases were on the roadway southeast of FTO Santiago-Miranda's vehicle (PM 3 and PM 4). Six additional [REDACTED] cartridges (PM 5-9 and PM 14) were on the roadway, near the gutter, east of PM 3 and PM 4. The cartridge cases located at PM 1-9 and PM 14 all had the headstamp "[REDACTED]."

CSI Schneider documented 1301 Stetson Drive South, as follows:

A gray Volkswagen Passat bearing Florida registration tag **NWEG04** and vehicle identification number (VIN) 1VWAT7A3XFC082787 (which was previously occupied by Angelo Crooms, Sincere Pierce and Jaquan Marice Kimbrough-Rucker) was situated in

the front yard of 1301 Stetson Drive South. The front end of the vehicle was crashed into the west exterior wall of 1301 Stetson Drive South, which was east of FTO Santiago-Miranda and Deputy Hendren's vehicles. Damage to the wall and the vehicle was observed after the vehicle was moved. The front tires were dug into the dirt, consistent with them spinning in place. The front driver side and front passenger side doors were open. The rear passenger side door was slightly ajar. Suspected bloodstains were on the front driver seat and front driver door jamb area. Additional suspected bloodstains were in the dirt north of the front driver door. Multiple suspected bullet holes were in the vehicle (*refer to the vehicle processing section for further details on the suspected bullet holes and suspected bloodstains*).

An Automated External Defibrillator (AED) device, an AED case and a black tactical bag belonging to FTO Santiago-Miranda was on the ground, south of the Volkswagen. A ballistic shield was on the ground, north of the Volkswagen. A pair of pants (PM 10), a cut piece of a pant leg (PM 12) and a pair of Nike shoes (PM 11 and PM 13) were on the ground southwest of the Volkswagen. Miscellaneous trash items related to medical intervention were on ground west, south and north of the Volkswagen.

After the Volkswagen was moved from its original position by BCSO Fleet Maintenance employee A. Severson (ID #4347), a purple and gray SCCY CPX-1 9mm handgun with a black bandana wrapped around its handle was found on the ground under the passenger side of the vehicle. The barrel of the gun was pointed northeast. CSI Schneider cleared the firearm, removing a magazine which contained six cartridges. The chamber did not contain a cartridge. The serial number was scratched out, but it appeared to be 565394 (the firearm was later determined not stolen by the BCSO Judicial Process Unit and confirmed a second time by BCSO Investigative Analyst L. Cline, ID #1046). The SCCY CPX-1 was entered into the Bureau of Alcohol, Tobacco, Firearms, and Explosives National Tracing Center (eTrace) with a trace number as follows: T20200452595.

The black tactical bag was identified as FTO Santiago-Miranda's due to "Santiago-Miranda" being written on a magazine within the bag. The bag was turned over to Sergeant Sangeleer by CSI Schneider at the crime scene.

The above mentioned items of evidence from the scene were collected and listed on a BCSO property receipt as follows:

Item: Quantity: Description

JK1:	1:	Small bag with letter C	
CS1:	1:	Gray metal cartridge casing	[REDACTED] (PM 1)
CS2:	1:	Gray metal cartridge casing	[REDACTED] (PM 2)
CS3:	1:	Gray metal cartridge casing	[REDACTED] (PM 3)
CS4:	1:	Gray metal cartridge casing	[REDACTED] (PM 4)
CS5:	1:	Gray metal cartridge casing	[REDACTED] (PM 5)
CS6:	1:	Gray metal cartridge casing	[REDACTED] (PM 6)
CS7:	1:	Gray metal cartridge casing	[REDACTED] (PM 7)
CS8:	1:	Gray metal cartridge casing	[REDACTED] (PM 8)

CS9: 1: Gray metal cartridge casing "[REDACTED]" (PM 9)
 CS10: 1: Gray metal cartridge casing "[REDACTED]" (PM 14)
 CS11: 1: Pair of black Nike pants (PM 10)
 CS12: 1: Black/yellow/white Nike shoe (PM 11)
 CS13: 1: Piece of a pant leg from item CS11 (PM 12)
 CS14: 1: Black/yellow/white Nike shoe (PM 13)
 CS15: 1: Walther PK380 .380 handgun
 CS15A: 1: 380 cartridge bearing headstamp "WIN 480 AUTO"
 CS15B: 1: Magazine
 CS15C: 4: (3) 380 cartridges bearing headstamp "WIN 380 AUTO" and (1) cartridge bearing headstamp "SIG 380 AUTO"
 CS16: 1: SCCY CPX-1 9mm handgun
 CS16A: 1: Magazine
 CS16B: 6: (4) 9mm cartridges "R-P 9mm Luger", (1) 9mm cartridge "F.C. 9mm Luger", and (1) 9mm cartridge "SIG 9mm Luger"
 CS16C: 1: Black bandana
 CS17: 1: AED

These items were transferred to and secured within the Crime Scene Unit Evidence Room located at BCSO CIS.

Item JK1 was later searched and found to contain the following items:

- 1) Black wallet
- 2) Pink lighter
- 3) White headphones
- 4) White charging cable with adapter
- 5) FL ID card-Jaquan Kimbrough-Rucker
- 6) Albuterol inhaler
- 7) Trojan Magnum Condom
- 8) Ten dollar bill, 3 one dollar bills, one quarter, and one penny

The currency was separated and documented on a BCSO property receipt as follows:

Item: Quantity: Description

JK1A: 6: (1) ten dollar bill, (3) one dollar bills, (1) quarter, and (1) penny totaling \$13.26

FTO Jafet Santiago-Miranda's marked BCSO Ford Explorer (Unit #91727)

On November 13, 2020, at approximately 12:30 p.m., BCSO CIS Digital Forensics Unit Agent Mary Adams responded to the intersection of Ivy Drive and Stetson Drive South and recovered the USB flash drive located in the locked WatchGuard video recording device (County ID #2511373) of FTO Santiago-Miranda's marked BCSO 2018 Ford Explorer (Unit #91727), which contained a video recording of the interaction. Agent Adams entered the USB into evidence at BCSO Criminal Investigative Services (CIS), located at 340 Gus Hipp Boulevard, Rockledge, as evidence item MA2.

At approximately 4:00 p.m., Agent Adam Walkington responded to the intersection of Ivy Drive and Stetson Drive South and drove FTO Santiago-Miranda's marked BCSO Ford Explorer to the BCSO West Precinct.

On November 19, 2020, at approximately 4:30 p.m., Agent Adams responded to BCSO West Precinct, located at 2725 Judge Fran Jamieson Way, Melbourne, Brevard County, Florida, and retrieved the Watch Guard video system from within the electronic control box of FTO Santiago-Miranda's marked BCSO Ford Explorer (Unit #91727). Agent Adams entered the in-car video recording system into evidence at BCSO CIS as evidence item VR1.

On November 19, 2020, FTO Santiago-Miranda's marked BCSO Ford Explorer (Unit #91727) was secured by BCSO Fleet Manager Mark Deitz (ID #3907) at the BCSO Evidence Storage lot.

Deputy Carsen Hendren's marked BCSO Ford Interceptor (Unit #2621)

On November 13, 2020, at 12:30 p.m., BCSO CIS Digital Forensics Unit Agent Mary Adams responded to the intersection of Ivy Drive and Stetson Drive South and recovered the SD card from the Digital Ally camera system (County ID #2511230) inside of Deputy Hendren's marked BCSO 2016 Ford Interceptor (Unit #2621). Agent Adams reviewed the SD card, which revealed there was no video recording of this incident. Agent Adams then placed the SD card into evidence at BCSO Criminal Investigative Services (CIS), located at 340 Gus Hipp Boulevard, Rockledge, as evidence item MA1.

At approximately 4:00 p.m., Agent Thomas Case responded to the intersection of Ivy Drive and Stetson Drive South and drove Deputy Hendren's marked BCSO Ford Interceptor (Unit #2621) to Deputy Hendren's residence at the request of Staff Services Agent Kyle Williams. On December 3, 2020, Deputy Hendren's marked BCSO Ford Interceptor (Unit #2621) was secured by BCSO Fleet Manager Deitz at the BCSO Evidence Storage lot.

2015 Volkswagen Passat

The gray 2015 Volkswagen Passat (bearing Florida registration tag **NWEG04** and vehicle identification number 1VWAT7A3XFC082787) was towed by BCSO Fleet Maintenance employee Austin Severson (ID #4347) to the Brevard County Sheriff's Office Crime Scene Unit Vehicle Processing Building located at 850 Earl Petty Way, Cocoa, Brevard County, Florida. The vehicle was secured inside of an enclosed evidence bay, awaiting a search warrant to be drafted by the Florida Department of Law Enforcement. A Vehicle Storage Impound Information Receipt (Tow Sheet) was completed by Crime Scene Investigator (CSI) Conrad Schneider.

A search warrant for the vehicle was authored by FDLE Special Agent Christopher Shephard. On November 19, 2020, at approximately 8:30 a.m., the aforementioned search warrant was executed. Present for the execution of this search warrant was FDLE

Special Agent Shephard, BCSO Crime Scene Unit Sergeant Terrance Laufenberg, BCSO CSI Schneider, BCSO CSI Stephanie Haas and myself (BCSO Agent Carmen Minthorn). CSI Haas documented the following information in her analysis of the shooting reconstruction:

Bullet defects on the vehicle were located and labeled alphanumerically with photo markers (PM) as follows:

*PM A: upper, central portion of front windshield
PM B: lower, driver side portion of front windshield
PM C: lower, driver side portion of front windshield
PM D: lower corner of driver side portion of front windshield
PM E: central, slight passenger side of front hood
PM F: front, metal portion of front driver window frame
PM G: lower, central portion of front driver door
PM H: lower, central portions of front driver door
PM I: lower, central portion of front driver window
PM J: lower, front portion of rear driver window*

Reference Points (RP) were placed on the vehicle. The reference points were located and labeled as follows:

*RP1: top passenger corner of front windshield
RP2: top corner of passenger front hood
RP3: bottom corner of passenger front hood
RP4: top driver corner of front windshield
RP5: front corner of driver A pillar
RP6: metal weather stripping corner, top of front driver door
RP7: bottom corner of front driver window
RP8: metal weather stripping corner, top of rear driver door
RP9: bottom corner of rear driver window*

The following measurements were taken from the RPs to the defects:

*RP1 to PM A: 24 ¼"
RP4 to PM A: 36 ¼"
RP1 to PM B: 42"
RP4 to PM B: 35 ¼"
RP1 to PM C: 43 ¼"
RP4 to PM C: 28"
RP1 to PM D: 57 ¼"
RP4 to PM D: 25 ½"
RP2 to leading edge PM E: 29 ½"
RP3 to leading edge PM E: 22 ¼"
RP5 to PM F: 10"
RP7 to PM F: 34"
RP6 to PM G: 27 ½"*

RP7 to PM G: 21" RP6 to PM H: 22 ½"

RP7 to PM H: 16 ½"

RP6 to PM I: 23"

RP7 to PM I: 14"

RP8 to PM J: 12 ½"

RP9 to PM J: 9 ½"

Defect A: the projectile traveled from the exterior to the interior of the vehicle. Interior beveling around the defect of the front windshield was consistent with the projectile perforating through the windshield into the vehicle. The windshield around the defect contained conchoidal and radial fracture lines.

Defect B, B1: the projectile traveled from the slight driver side of the front windshield into the vehicle. A corresponding defect was on the front dash (PM B1). Interior beveling around the defect of the front windshield was consistent with the projectile perforating through the windshield and terminating into the front dash, corresponding defect PM B1. Using a protractor, angle finder and flight path rod, the angle of incidence was determined. The angle of impact to the vertical plane was ~82° (slightly passenger side to driver side) and ~17° downward to the vertical plane. The windshield around the defect contained conchoidal and radial fracture lines. The radial fracture lines are consistent with Defect B coming before Defect C.

Defect C: the projectile traveled from the driver side of the front windshield into the vehicle. Interior beveling around the defect of the front windshield was consistent with the projectile perforating through the windshield into the vehicle. The windshield around the defect contained conchoidal and radial fracture lines. The radial fracture lines are consistent with defect C coming after defect B.

Defect D: the projectile traveled from the driver side of the front windshield into the vehicle. Interior beveling around the defect of the front windshield was consistent with the projectile perforating through the windshield into the vehicle. The windshield around the defect contained conchoidal and radial fracture lines.

Defect E: a leading edge was observed and consistent with the projectile traveling from the exterior, slight passenger side of the front hood of the vehicle into the firewall, where the projectile terminated. Using a protractor, angle finder and flight path rod, the angle of incidence was determined. The angle of impact was ~23° (passenger to driver side) and ~13° downward to the horizontal plane.

Defect F: the projectile traveled from the exterior to the interior of the vehicle. The projectile penetrated the metal portion of the front driver side door and terminated in the driver side A pillar. The bottom portion of the front driver window around the defect contained conchoidal and radial fracture lines.

Defect G: the projectile traveled from the exterior to the interior of the vehicle. The projectile perforated the front driver window, causing the glass to be shattered around the defect.

Defect H: the projectile traveled from the exterior to the interior of the vehicle. The projectile perforated the front driver window, causing the glass to be shattered around the defect.

Defect I: the projectile traveled from the exterior to the interior of the vehicle. The projectile perforated the front driver window, causing the glass to be shattered around the defect.

Defect J: the projectile traveled from the exterior to the interior of the vehicle. The projectile perforated the rear driver window, causing the glass to be shattered around the defect. The projectile terminated in the weather stripping of the back driver side B pillar, consistent with the projectile traveling from the rear to the front driver side.

Suspected bullet holes and defects were observed within the car as well. A bullet defect was observed in the front driver dash that correlated with the suspected bullet hole at PM B (PM B1). Two suspected bullet defects were in the steering wheel (PM K and PM L). Additional suspected bullet defects were in the left side of the steering column (PM M).

The location of the cartridge casings on scene as well as the defects in the gray Volkswagen are consistent with FTO Santiago-Miranda standing and discharging his firearm from in front of and to the slight passenger side of the Volkswagen as it was in motion. The shots from beginning to end were consistent with a counterclockwise pattern as the car was turning to the right. The shot pattern is also consistent with FTO Santiago-Miranda firing his weapon towards the driver, who was in actual and physical control of the Volkswagen accelerating toward FTO Santiago-Miranda throughout the entire incident.

This concluded CSI Haas' documentation of her analysis.

Within the Volkswagen, the following items were photographed and collected as evidence:

An iPhone, with attached charger, and an orange toy gun were on the front passenger floorboard. A Motorola cellphone was on the front passenger seat. Two iPhones were in the glovebox. An iPhone was on the rear driver floorboard. An iPhone was on the front driver floorboard. A wallet belonging to Brooke Cooper was in the front driver door pocket. A fired bullet was on the central portion of the rear seat. A fired bullet was recovered from the suspected bullet hole at PM J1. A fired bullet was recovered from the suspected bullet hole at PM F. Two fired bullets were recovered from between the rear dash and the rear window (PM N/VB5 and PM O/VB4).

A pooling of suspected blood was on the front driver seat. A flow pattern of suspected blood was on the left side of the front driver seat and continued onto the front driver doorjamb. Drip stains of suspected blood were also on the doorjamb.

The above mentioned items of evidence collected from the vehicle were listed on a BCSO property receipt, as follows:

Item: Quantity: Description

VB1: 1: Projectile (rear driver seat)
VB2: 1: Projectile (J1-B Pillar driver side)
VB3: 1: Projectile (PM F front A pillar)
VB4: 1: Projectile (PM O rear dash passenger side)
VB5: 1: Projectile (PM N rear dash passenger side)
VB6: 1: Gray iPhone
VB7: 1: Black iPhone with black case white cord
VB8: 1: Black Motorola cellphone with cracked screen
VB9: 1: Black iPhone with blue case
VB10: 1: White iPhone with cracked screen
VB11: 1: Black iPhone with black case
VB12: 1: Orange plastic gun
VB13: 1: Wallet belonging to Brooke Cooper

Items of evidence were transported to and secured within the BCSO Criminal Investigative Services (CIS) Building, 340 Gus Hipp Boulevard, Rockledge, Brevard County, Florida, with the exception of the Volkswagen Passat. The vehicle remained at 850 Earl Petty Way, in the BCSO Evidence Storage.

This concluded the analysis, processing and search of the Volkswagen.

The crime scene, Volkswagen, areas of suspected bloodstaining, suspected bullet defects and items of evidence were photographed, before and after photo markers, with a Nikon D7200 digital camera. The SD card used by CSI Schneider to obtain digital photographs in this investigation was collected and documented on a BCSO property receipt as follows:

Item: Quantity: Description

SDC1: 1: SD card bearing photographs taken by CSI C. Schneider: Scene, vehicle, evidence

CS15 (Walther firearm) and CS16 (SCCY firearm) were entered into the Bureau of Alcohol, Tobacco, Firearms, and Explosives National Tracing Center (eTrace) with trace numbers as follows: T20200452588 and T20200452595.

Prior to processing for latent fingerprints, CS15 (Walther firearm), CS15B (magazine), CS16 (SCCY firearm) and CS16A (magazine) were swabbed for biological evidence. The swabs were documented on a property receipt as follows:

SW1: 1 Set of swabs of item CS15 (Walther)
SW2: 1 Set of swabs of item CS15B (magazine)
SW3: 1 Set of swabs of item CS16 (SCCY)

SW4: 1 Set of swabs of item CS16A (magazine)

SW5: Set of control swabs

CS15 (Walther firearm), CS15A (380 cartridge bearing headstamp "WIN 380 AUTO"), CS15B (magazine), CS15C (three 380 cartridges bearing headstamp "WIN 380 AUTO" and one cartridge bearing headstamp "SIG 380 AUTO"), CS16 (SCCY firearm), CS16A (magazine), CS16B (four 9mm cartridges bearing headstamp R-P 9mm Luger," one 9mm cartridge bearing headstamp "F.C. 9mm Luger" and one 9mm cartridge bearing headstamp "SIG 9mm Luger") were processed for latent prints utilizing cyanoacrylate ester fuming and SLED Red fingerprint powder, viewed with and without an UltraLite alternate light source (ALS) of approximately 450nm with an orange filter. No areas of friction ridge detail were observed.

On November 16, 2020, at approximately 8:00 a.m., CSI Faith Adkins responded to the Brevard County Medical Examiner's Office (BCMEO) located at 1750 Cedar Street, Rockledge, to document the unsealing of the body bags containing Sincere Pierce and Angelo Crooms for the purpose of COVID testing. CSI Adkins obtained photographs of the seals on the two body bags - Sincere Pierce seal number: 31381 and Angelo Crooms seal number: 31375. The body bags were resealed after the swabs were collected for the COVID testing. The new seal numbers were 30875 (Pierce) and 30876 (Crooms).

On November 17, 2020, CSI Schneider responded to the BCSO Central Logistics office, 170 Doler Lane, Cocoa. Senior Logistics Specialist C. Allen (ID #1471) downloaded the digital data from item CS17 (AED) and provided a printout of this information to CSI Schneider. This printout was included as an enclosure to this report.

On November 18, 2020, CSI Gardner and CSI Adkins returned to the BCMEO and attended the autopsies of Angelo Crooms and Sincere Pierce. CSI Adkins photographed the decedents throughout the autopsy procedures, as well as collected items of evidence to include: ME16: One (1) jacketed bullet from in Sincere Pierce's right chest, ME33: One (1) jacketed bullet from Angelo Crooms' brain and ME34: One (1) jacketed bullet from under the skin of Angelo Crooms' left posterior neck.

On November 23, 2020, CSI Schneider responded to the BCSO Fleet Impound Lot and obtained measurements of the window tinting on the Volkswagen Passat. The front passenger window measured at 19% light transmission. The rear passenger window measured at 21% light transmission. The measurements were taken using a Laser Labs Tint Meter model 100 instrument.

On Friday, December 4, 2020, at approximately 9:00 a.m., CSI Schneider responded to 850 Earl Petty Way, Cocoa, BCSO Evidence Storage and obtained measurements of the gray Volkswagen Passat (bearing Florida registration tag **NWEG04** and vehicle identification number (VIN) 1VWAT7A3XFC082787) using a FARO Focus 3D S70 Laser Scanner. Additionally, FDLE Special Agent Christopher Shephard responded and executed an amended vehicle search warrant issued for the seizure of the vehicle's Event Data Recorder (EDR) information. Florida Highway Patrol Corporal M. Bonner (ID #795) responded and downloaded the EDR information. The contents of the download were

immediately transferred to FDLE Special Agent Shephard. At the time of this report submission, the BCSO was not provided a copy of the Florida Highway Patrol analysis report for the (EDR) data recovered. Please refer to the FDLE Investigative report.

Evidence Transfer to FDLE

On November 18, 2020, Brevard County Sheriff's Office (BCSO) Lead Crime Scene Investigator (CSI) Conrad Schneider transferred associated case evidence to Florida Department of Law Enforcement (FDLE) Special Agent Lisa Gundrum.

The following items were transferred:

- Item 1: SW1: one (1) Set of swabs of item CS15 (Walther)
- Item 2: SW2: one (1) Set of swabs of item CS15B (magazine)
- Item 3: SW3: one (1) Set of swabs of item CS16 (SCCY)
- Item 4: SW4: one (1) Set of swabs of item CS15 (magazine)
- Item 5: SW5: Set of control swabs
- Item 6: CS15: Walther PK380 .380 handgun
- Item 7: CS15A: one (1) 380 cartridge bearing headstamp "WIN 480 AUTO"
- Item 8: CS15B: one (1) Magazine
- Item 9: CS15C: (3) 380 cartridges bearing headstamp "WIN 380 AUTO" and (1) cartridge bearing headstamp "SIG 380 AUTO"
- Item 10: CS16: one (1) SCCY CPX-1 9mm handgun
- Item 11: CS16A: one (1) Magazine
- Item 12: CS16B: four (4) 9mm cartridges "R-P 9mm Luger", one (1) 9mm cartridge "F.C. 9mm Luger", and one (1) 9mm cartridge "SIG 9mm Luger"
- Item 13: CS1: one (1) gray metal cartridge casing "[REDACTED]" (PM 1)
- Item 14: CS2: one (1) gray metal cartridge casing "[REDACTED]" (PM 2)
- Item 15: CS3: one (1) gray metal cartridge casing "[REDACTED]" (PM 3)
- Item 16: CS4: one (1) gray metal cartridge casing "[REDACTED]" (PM 4)
- Item 17: CS5: one (1) gray metal cartridge casing "[REDACTED]" (PM 5)
- Item 18: CS6: one (1) gray metal cartridge casing "[REDACTED]" (PM 6)
- Item 19: CS7: one (1) gray metal cartridge casing "[REDACTED]" (PM 7)
- Item 20: CS8: one (1) gray metal cartridge casing "[REDACTED]" (PM 8)
- Item 21: CS9: one (1) gray metal cartridge casing "[REDACTED]" (PM 9)
- Item 22: CS10: one (1) gray metal cartridge casing "[REDACTED]" (PM 14)
- Item 23: PJ1: one (1) [REDACTED] handgun w/magazine [REDACTED]
- Item 24: PJ1A: five (5) white metal cartridges "[REDACTED]"
- Item 25: PJ1B: one (1) white metal cartridge "[REDACTED]"
- Item 26: JK1: buccal swabs obtained from Jaquan Kimbrough-Rucker by CSI P. Miranda

On November 23, 2020, BCSO CSI Schneider transferred associated case evidence to FDLE Special Agent Jason Kriegsman.

The following items were transferred:

Item 1: ME16: bullet from chest of Sincere Pierce
Item 2: ME33: bullet from brain of Angelo Crooms
Item 3: ME34: bullet from neck of Angelo Crooms

FDLE Laboratory Examination

On November 19, 2020, and December 1, 2020, Florida Department of Law Enforcement Evidence Technician Ivory Smith forwarded associated evidence to the Florida Department of Law Enforcement (FDLE) Orlando Regional Laboratory for examination.

The following items were forwarded:

Item 1: LG1: One [REDACTED] semiautomatic pistol with [REDACTED] and one magazine

Item 2: LG2: Five [REDACTED] caliber cartridges

Item 3: LG14: One 380 Autocaliber Walther model PK380 semiautomatic pistol with serial number WB085799 and one magazine

Item 4: LG15: One 380 Auto caliber cartridge (not further examined)

Item 5: LG16: Four 380 Auto caliber cartridges (not further examined)

Item 6: LG17: One 9mm Luger caliber SCCY Industries model CPX-1 semiautomatic pistol with a partially obliterated serial number and one magazine

Item 7: LG18: Six 9mm Luger caliber cartridges (not further examined)

Item 16: LG28: One fired bullet

Item 17: LG29: One fired bullet

Item 18: LG30: One fired bullet

An examination of the above items were completed by FDLE Firearms Section Senior Crime Laboratory Analyst Elissa McLaughlin. The following is a brief summation of the attached report dated December 11, 2020.

(Items 1 and 2):

- A functional test of FTO Jafet Santiago's agency issued [REDACTED] [REDACTED] semiautomatic pistol, bearing [REDACTED], and the associated magazine were completed and found functional.

(Item 3):

- A functional test of the recovered Walther model PK380 semiautomatic pistol, bearing serial number: WB085799 and the associated magazine were completed and found functional.
- Images of cartridge cases fired in the pistol were entered in and compared to NIBIN. No potential associations were made at this time.

(Item 6):

- A functional test of the recovered SCCY Industries model CPX-1 semiautomatic pistol, bearing a partially obliterated serial number and the associated magazine were completed and found functional.
- Images of a cartridge case fired in the pistol were entered in and compared to NIBIN. No potential associations were made at this time.
- A serial number restoration was attempted on the pistol using chemical etching techniques. The serial number was restored to read 5 6 5 ? 9 4. The fourth character appears to be a 3.

(Item 16):

- The fired bullet was Inconclusive to Item 1 ([REDACTED] semiautomatic pistol, bearing [REDACTED]).
- The bullet was examined and determined to not be fired in/from Item 3 (Walther model PK380 semiautomatic pistol, bearing serial number: WB085799) and Item 6 (SCCY Industries model CPX-1 semiautomatic pistol, bearing serial number 565?94) based on a difference in class characteristics.

(Item 17 and 18):

- The bullets were examined and identified as being fired from Item 1 ([REDACTED] caliber [REDACTED] semiautomatic pistol with [REDACTED]).

For a detailed account of FDLE Firearms Section Senior Crime Laboratory Analyst Elissa McLaughlin's actions, please refer to her report, which is included as an enclosure.

DNA Evidence:

The report references evidence submitted to the Florida Department of Law Enforcement on November 19, 2020, by Ivory Smith, OR-27-0384. Laboratory Report results dated February 01, 2021.

(Item 12) LG23 Swabs from Walther 380 handgun (WB085799)

A complete DNA profile consistent with a male individual was obtained from item 12. The DNA profile matches the DNA profile from Sincere Pierce (Item 10).

(Item 14) LG25 Swabs from SCCY handgun (565394)

The DNA results obtained from Item 14 demonstrated the presence of mixture consistent with three donors including at least one male contributor. Jaquan Kimbrough-Rucker (Item 9) is included as a possible contributor to the mixed DNA profile.

For a detailed account of FDLE Crime Laboratory Analyst Biology Section Meredith McCaskill's actions, please refer to her report which is included as an enclosure.

Video Surveillance

I (BCSO Agent Carmen Minthorn) obtained video recording evidence from the Digital Ally server of the traffic stop Deputy Ezra Dominguez attempted to conduct on the Silver (described as gray) Volkswagen, bearing Florida registration tag **NWEG22**, in his agency assigned marked BCSO 2012 Dodge Charger (Unit #2442) on November 13, 2020 at approximately 10:17 a.m.

The following is a summarization of the recovered video recording:

On November 13, 2020, at approximately 10:17 a.m., Deputy Dominguez traveled southbound on US Highway 1 near the intersection of US 1 and State Road 528, Cocoa. Deputy Dominguez notified the Brevard County Sheriff's Office Communications Center that he was initiating a traffic stop on a "gray Volkswagen" bearing Florida registration tag **NWEG22**, which he was traveling behind in the outside lane.

The Volkswagen switched to the center lane and Deputy Dominguez followed. Within several seconds, the Volkswagen switched back to the outside lane and Deputy Dominguez did as well. Upon Deputy Dominguez moving to the outside lane and taking a position behind the Volkswagen, the Volkswagen immediately moved back to the center lane and quickly accelerated. Deputy Dominguez cancelled the traffic stop as the driver of the Volkswagen fled and continued at a high rate of speed through the intersection of US 1 and Michigan Avenue, Cocoa, by utilizing the marked bicycle path on the roadway to pass other vehicles traveling the same direction. The traffic light was green at this time.

This concluded the video recording of Deputy Dominguez's attempted traffic stop. A copy of this video recording is included as an enclosure to this report

On November 13, 2020, Agent Mary Adams obtained video recording evidence from FTO Jafet Santiago-Miranda's agency assigned Ford Explorer (unit #91727).

The following is a summarization of the recovered video recording:

At 10:32 a.m., FTO Santiago-Miranda's patrol vehicle traveled west behind Deputy Carson Hendren's patrol vehicle on Dixon Boulevard. Both vehicles turned north onto College Avenue. At 10:32:15 a.m., Deputy Hendren turned west off of College Avenue onto Exeter Drive and FTO Santiago-Miranda continued north on College Avenue until reaching Ivy Drive, at which time he turned west onto Ivy Drive (10:32:27 a.m.). Immediately, a gray four door Volkswagen is observed at the intersection of Exeter Drive and Ivy Drive. At 10:32:33 a.m., the Volkswagen turned west onto Ivy Drive, followed by Deputy Hendren. FTO Santiago-Miranda followed behind Deputy Hendren. All three vehicles come to a complete stop at the intersection of Ivy Drive and Stetson Drive South. At 10:32:49 a.m., the Volkswagen turned south onto Stetson Drive South and immediately turned into the first driveway on the west side of the road. At 10:32:55 a.m., Deputy Hendren turned south onto Stetson Drive South and stopped short of the aforementioned driveway on the west side of the roadway, where she immediately exited her vehicle and drew her firearm. At 10:33 a.m., FTO Santiago-Miranda pulled up to the east side of Deputy Hendren's vehicle, initiated his emergency lights and the Volkswagen's reverse lights came on. The driver, later identified as Angelo Crooms, immediately backed up into the roadway of Stetson Drive South. FTO Santiago-Miranda stopped his vehicle just short of the driveway, east of Deputy Hendren's vehicle. FTO Santiago-Miranda quickly exited his vehicle and drew his firearm. The Volkswagen continued in a reverse motion until the front of the Volkswagen faced the front of Deputy Hendren's and FTO Santiago-Miranda's vehicles.

At 10:33:05 a.m., Deputy Hendren repositioned herself around the rear of her vehicle to the passenger side. FTO Santiago-Miranda can be heard instructing the driver to stop the vehicle five times as the vehicle began to travel forward. Upon the fifth verbal command to stop the vehicle given at 10:33:13 a.m., the Volkswagen stopped. At 10:33:15 a.m., FTO Santiago-Miranda requested "10-33" over his radio and is seen in the camera with his firearm drawn and pointed in the direction of the Volkswagen. The Volkswagen stopped for approximately four (4) seconds, before the driver reversed again, at which time, FTO Santiago-Miranda again gave loud, verbal commands for the driver to stop the vehicle. At 10:33:18 a.m., the driver, Crooms, turned the Volkswagen's wheels sharply to the right and it accelerated directly toward FTO Santiago-Miranda. The in-car video shows FTO Santiago-Miranda positioned to the left of his vehicle giving verbal commands before he fires his duty issued handgun toward the driver of the vehicle. FTO Santiago-Miranda's initial gunshots can be seen striking the front windshield of the vehicle as it accelerates toward him. FTO Santiago-Miranda and the vehicle then go off camera. A total of ten (10) gunshots are heard as the vehicle traveled out of the sight of the camera (determined later by crime scene investigators to be the time the vehicle traveled east until it crashed into the west wall of 1301 Stetson Drive South). The first gunshot is at 10:33:19 a.m., and the last is at 10:33:21 a.m. At 10:33:25 a.m., FTO Santiago-Miranda is heard stating, "Shots fired, shots fired." The vehicle came to a complete stop when it crashed into a residential structure on the east side of Stetson Drive South (identified as 1301 Stetson Drive South), with its front wheels still spinning.

At 10:33:22 a.m., Deputy Hendren moved around the front of her vehicle with her firearm drawn towards the vehicle and appeared to be using her radio microphone on her chest before she quickly repositioned back to the passenger side of her vehicle.

An unknown female (later identified as Cynthia Green) is heard in the background stating multiple times, "My baby is in that car; my baby is in there." At 10:33:27 a.m., FTO Santiago-Miranda is heard stating "stop" three times. At 10:33:35 a.m., Deputy Hendren moved her position to the front of her vehicle again and walked towards the driveway of 1301 Stetson Drive South with her firearm drawn. Deputy Hendren stopped just in front of FTO Santiago-Miranda's vehicle.

At 10:33:41 a.m., FTO Santiago-Miranda stated, "Get out of the car slowly," followed by, "Passenger, stay in the vehicle." At 10:33:50 a.m., FTO Santiago-Miranda is then heard sporadically giving the following verbal commands: "Get out of here now, get out of here now, stay over there, get over there, get over there, stay on that side and stay in the vehicle." *(It was later determined that FTO Santiago-Miranda was giving these verbal commands to Sincere Pierce's grandmother, Ms. Cynthia Green, who was standing just several feet northeast of his position.)* As these commands are heard, an unknown female is heard screaming in the background; however, her statements are inaudible.

At 10:34:19 a.m., FTO Santiago-Miranda gave verbal commands to the vehicle occupants to turn off the vehicle. At 10:34:51 a.m., FTO Miranda Santiago advised the BCSO Communications Center there were three occupants in the vehicle; one on the rear passenger side (Sincere Pierce), one in the front passenger side (Jaquan Marice Kimbrough-Rucker) and a driver (Angelo Crooms). He advised his location was "Stetson and Ivy." During this time, Deputy Hendren took a position on the front passenger side of FTO Santiago-Miranda's patrol vehicle.

At 10:35:46 a.m., FTO Santiago-Miranda then provided verbal commands to Mr. Kimbrough-Rucker, who requested to step out of the vehicle. FTO Santiago-Miranda instructed Mr. Kimbrough-Rucker to listen only to him, use his left hand to open the vehicle door, step out with hands in the air, face the house and walk back to the sound of his voice. At 10:36:18 a.m., Deputy Hendren assumed verbal commands as FTO Santiago-Miranda took a position on the passenger side of his vehicle, southwest of Deputy Hendren. At 10:36:54 a.m., FTO Santiago-Miranda assumed verbal commands again until Mr. Kimbrough-Rucker was approximately three feet in front of FTO Santiago-Miranda. Deputy Hendren moved out of sight of the camera at that time. At 10:37:25 a.m., FTO Santiago-Miranda instructed Mr. Kimbrough-Rucker to get on his knees. At 10:37:38 a.m., FTO Santiago-Miranda handcuffed Mr. Kimbrough-Rucker, searched him and was then heard placing him into the back of his patrol vehicle.

At 10:38:29 a.m., FTO Santiago-Miranda took a position back at the front passenger side of his vehicle. At 10:38:59 a.m., FTO Santiago-Miranda utilized his key fob attached to his duty belt to unlock his vehicle, as he stated, "go to my trunk." At 10:39:08 a.m., FTO Santiago-Miranda advised over his shoulder microphone attached to his handheld radio that Deputy Dominguez was retrieving his shield and he and Deputy Hendren would be making an approach from the north side.

At 10:39:45 a.m., FTO Santiago-Miranda was observed walking east bound in the direction of the 1301 Stetson Drive South, where the Volkswagen was positioned. FTO Santiago-Miranda is no longer observed on the video until being walked to Deputy

Hendren's vehicle by Deputy Christina Jenkins (10:42:24 a.m.); however, the Automated External Defibrillator (AED) was heard (10:41:36 a.m.) as Deputy Hendren and FTO Santiago-Miranda rendered aid. Additionally, at 10:42:11 a.m., Deputy Hendren is heard stating, "He had a gun." At 10:43:08 a.m., Deputy Hendren is observed walking to her patrol vehicle.

All timestamps documented in the aforementioned summary were obtained from FTO Santiago-Miranda's in-car camera video recording.

This concluded the video recording of FTO Santiago-Miranda and Deputy Hendren's involvement in this incident. A copy of this video recording is included as an enclosure to this report.

I obtained the video recording evidence from Cocoa Police Department (CPD) that was captured by FTO Luis Hernandez-Martin's body-worn camera.

The following is a summarization of the recovered video recording:

On November 13, 2020, at approximately 10:41 a.m., CPD FTO Hernandez-Martin and Officer Trainee Kyle McNamara, arrived just east of the intersection of Ivy Drive and Stetson Drive South, Cocoa. At 10:41:54 a.m., CPD FTO Hernandez-Martin retrieved a green bag (later identified as a bag that contained first aid supplies) and instructed Officer Trainee McNamara to retrieve the rifle. CPD FTO Hernandez-Martin ran to 1301 Stetson Drive South and immediately directed Officer Trainee McNamara to maintain the crowd seen gathering along Ivy Drive, just north of the crime scene. As FTO Hernandez-Martin approached Sincere Pierce (10:42:15 a.m.), who was lying in a prone position on the ground, Deputy Christina Jenkins is observed walking FTO Jafet Santiago-Miranda backwards towards Deputy Carson Hendren and FTO Santiago-Miranda's patrol vehicles. Deputy Hendren is observed moving away from Pierce as the AED is heard providing instructions.

At 10:42:21 a.m., FTO Hernandez-Martin put gloves on and checked for a carotid pulse on Pierce. At 10:42:38 a.m., FTO Hernandez-Martin stated, "I have no pulse." FTO Hernandez-Martin immediately began administering chest compressions to Pierce. At 10:42:45 a.m., Deputy Hendren appeared back on the camera and pointed to right side waistline of Pierce's pants and told FTO Hernandez-Martin there was a gun in there. He directed Deputy Hendren to return to her vehicle and remain there. FTO Hernandez-Martin continued chest compressions on Pierce as the AED instructed until relieved by Cocoa Fire Rescue (CFR).

Upon CFR's arrival at 10:47:05 a.m., FTO Hernandez-Martin showed them a suspected gunshot wound Pierce sustained to the right side of his neck. At 10:47:28 a.m., Officer Trainee McNamara and FTO Hernandez-Martin worked together to remove the firearm located in Pierce's pants, which was under the right side of his waistband. After BCSO Sergeant Carl Sangeleer photographed the firearm in its place at 10:49:47 a.m., FTO Hernandez-Martin rendered the firearm safe by clearing the cartridge from the chamber and removing the magazine. At 10:52:23 a.m., FTO Hernandez-Martin transferred

custody of the firearm, cartridge and magazine to Sergeant Sangeleer. CPD FTO Hernandez-Martin continued to assist with crowd control for the remainder of the video recording.

All timestamps documented in the aforementioned summary were obtained from CPD FTO Hernandez-Martin's body-worn camera video recording.

This concluded the CPD FTO Hernandez-Martin's video recording from his body-worn camera. A copy of this video recording is included as an enclosure to this report.

I obtained video recording evidence from Cocoa Police Department (CPD) that was captured by Officer Trainee Kyle McNamara's body-worn camera.

The following is a summarization of the recovered video recording:

On November 13, 2020, at approximately 10:41 a.m., CPD FTO Luis Hernandez-Martin and Officer Trainee Kyle McNamara, arrived just east of the intersection of Ivy Drive and Stetson Drive South, Cocoa. At 10:41:54 a.m., FTO Hernandez-Martin retrieved a green bag (later identified as a bag that contained first aid supplies) and instructed Officer Trainee McNamara to retrieve the rifle; therefore, he did.

Officer Trainee McNamara ran to 1301 Stetson Drive South and was directed by FTO Hernandez-Martin to maintain the crowd seen gathering along Ivy Drive, just north of the crime scene. Officer Trainee McNamara stood on the south side of Ivy Drive, facing north.

At 10:43 a.m., FTO Hernandez-Martin yelled to Officer Trainee McNamara and instructed him to stay with Deputy Carson Hendren. Officer Trainee McNamara walked to the southeast side of the intersection of Ivy Drive and Stetson Drive South, where Deputy Hendren was observed standing next to her patrol vehicle with Deputy Christina Jenkins. FTO Jafet Santiago-Miranda was seated in the driver's seat of Deputy Hendren's patrol vehicle with the door open. Officer Trainee McNamara told Deputy Hendren to come to him. As Deputy Hendren walked over to him, Deputy Christina Jenkins instructed Deputy Hendren to come back over to where she was. Deputy Hendren stated to Officer Trainee McNamara "You're good, I'm fine, just go" as she walked back to her patrol vehicle.

Officer Trainee McNamara walked over to Officer Chris Zuniga, who was standing on the northeast corner of the intersection of Ivy Drive and Stetson Drive South with Crime Scene Tape in his hands. Officer Trainee McNamara stated, "He started CPR." (Officer Trainee McNamara was referring to FTO Hernandez-Martin) A female (later identified as Cynthia Green) yelled, "That's my baby, that's my grandson." Officer Trainee McNamara said, "Ma'am, you need to stay back." Ms. Green was standing on the north side of Ivy Street and being pulled backwards by her left arm, by an unknown female. Ms. Green stated multiple times, "Y'all some bastard mother fuckers."

At 10:44 a.m., Officer Trainee McNamara walked to CPD Officer Zuniga's vehicle, unit #93, which was parked on the south side of Ivy Drive, east of Stetson Drive South and west of Exeter Drive, where he secured FTO Hernandez-Martin's rifle in the trunk. At

10:46 a.m., Officer Trainee McNamara was standing on Ivy Drive, within several feet of Officer Zuniga's vehicle, as Cocoa Fire Rescue personnel approached his location. Officer Trainee McNamara stated to them, "Hey, we got two victims."

At 10:46 a.m., Officer Trainee McNamara walked to FTO Hernandez-Martin's location in the front yard of 1301 Stetson Drive South. FTO Hernandez-Martin was administering chest compressions to Sincere Pierce. FTO Hernandez-Martin informed Officer Trainee McNamara of a firearm in Pierce's pants and requested his assistance with finding its exact location. Officer Trainee McNamara put his gloves on, patted the exterior of the right side of Pierce's pants near the pocket and stated, "Gun right here."

CFR Firefighter EMT Morgan Taylor arrived at their location and FTO Hernandez-Martin informed her there was a gun in Pierce's pocket that needed to be removed. Officer Trainee McNamara then assisted FTO Hernandez-Martin with cutting Pierce's pants off to retrieve the firearm. BCSO Sergeant Carl Sangeleer photographed the firearm in its place. After FTO Hernandez-Martin removed the firearm from the right side of Pierce's underwear and rendered it safe, Officer Trainee McNamara assisted with extending the outer crime scene perimeter with additional crime scene tape. He tied the tape to a tree on the north side of Ivy Drive and extended it north approximately 70 feet and secured the tape to a power pole.

At 10:57 a.m., Officer Trainee McNamara moved FTO Hernandez-Martin's patrol vehicle to a grassy area south of Ivy Drive, east of Stetson Drive South and west of Exeter Drive, to allow room for Fire Rescue vehicles to move closer.

At 11:01 a.m., Officer Trainee McNamara removed FTO Hernandez-Martin's rifle from Officer Zuniga's trunk and then secured it in FTO Hernandez-Martin's trunk.

At 11:02 a.m., Officer Trainee McNamara returned to the north side of Ivy Drive, just east of Stetson Drive South and assisted with scene security.

This concluded CPD Officer Trainee McNamara's video recording from his body-worn camera. A copy of this video recording is included as an enclosure to this report.

Video recording from the RING doorbell camera on Ms. Cynthia Green's residence, located at 1925 Exeter Drive, Cocoa, was obtained by Florida Department of Law Enforcement Special Agent Lisa Gundrum, who provided a copy to the Brevard County Sheriff's Office.

The following is a summarization of the recovered video recording:

On November 13, 2020, at approximately 10:31 a.m. (*RING camera documented time*), Sincere Pierce is observed standing outside of 1925 Exeter Drive, Cocoa. Ms. Green exited her residence and walked to a gray Sport Utility Vehicle (SUV) parked in the driveway. Ms. Green entered the driver's seat of the SUV as Pierce walked to the end of the driveway. Within seconds, a gray four door compact vehicle (later determined to be a gray Volkswagen) stopped on Exeter Drive, near Ms. Green's driveway, and Pierce

entered the rear passenger seat behind the driver. As the gray Volkswagen pulled away and traveled north on Exeter Drive, Ms. Green is seen as she backs out of her driveway.

This concluded the video recording obtained from 1325 Exeter Drive, Cocoa. A copy of this video recording is included as an enclosure to this report.

BCSO Use of Force Training Materials

In review of BCSO Policy/Procedure 600.071, Response to Resistance – Use of Force, The level of force applied must be objectively reasonable based on the totality of circumstances (articulable facts) surrounding the immediate situation. Response levels shall be in compliance with BCSO Policy and Procedure 500.76.

In review of BCSO Policy/Procedure 500.76, Response to Resistance, Guidelines are established for all sworn personnel concerning response to resistance, reflecting agency philosophy and established Florida Department of Law Enforcement Standards. A deputy sheriff is expected to select effective, reasonable and legal force options in a verbal or physical encounter.

Documents reviewed in the Document Management System (PowerDMS) for BCSO deputy review relating to Use of Force training and awareness: BCSO Annual Training 2020 Use of Force; Physiological Response to Use-of-Force; 500.76 Response to Resistance.

A copy of each document is provided as an enclosure.

BCSO Training Records Review

FTO Jafet Santiago-Miranda's Training Records Review

On December 2, 2020, I contacted the BCSO Accreditation Office and requested the PowerDMS Records for FTO Jafet Santiago-Miranda. In response to the request, Administrative Services Accreditation Support Specialist Joy Teague provided FTO Miranda-Santiago's PowerDMS Records. The records indicated FTO Miranda-Santiago was current regarding his review of agency policy concerning Use of Force, Response to Resistance and Firearms.

Training Coordinator Diane Giordano also provided me with FTO Santiago-Miranda's most recent weapons qualification records, prior to November 13, 2020. The record reflected FTO Santiago-Miranda qualified with his agency issued [REDACTED] [REDACTED]) on February 17, 2020.

BCSO Staff Services Unit was contacted and was requested to provide copies of any Use of Force Incident Reports in which FTO Santiago-Miranda was reported to have discharged his agency issued firearm in the performance of his duties. In response to this request, Staff Services Staff Assistant Jamie Benell stated FTO Santiago-Miranda had no Use of Force incidents that documented him discharging his firearm in performance of his official duties.

Deputy Carson Hendren's Training Records Review

On December 2, 2020, I contacted the BCSO Accreditation Office and requested the PowerDMS Records for Deputy Carson Hendren. In response to the request, Accreditation Administrative Services Support Specialist Joy Teague provided Deputy Hendren's PowerDMS Records. The records indicated Deputy Hendren was current regarding her review of agency policy concerning Use of Force, Response to Resistance and Firearms.

Training Coordinator Diane Giordano also provided me with Deputy Hendren's most recent weapons qualification records, prior to November 13, 2020. The record reflected Deputy Hendren qualified with her agency issued [REDACTED] on February 18, 2020.

BCSO Staff Services Unit was contacted and was requested to provide copies of any Use of Force Incident Reports in which Deputy Hendren was reported to have discharged her agency issued firearm in the performance of her duties. In response to this request, Staff Services Staff Assistant Jamie Benell stated Deputy Hendren had no Use of Force incidents that documented her discharging her firearm in performance of her official duties.

District 18 Medical Examiner's Office – Autopsy Evidence Collection

On Wednesday, November 18, 2020 at approximately 9:00 a.m , BCSO Crime Scene Investigators (CSI) Faith Adkins and Jenna Gardner, Florida Department of Law Enforcement (FDLE) Special Agent Lisa Gundrum and I (BCSO Agent Carmen Minthorn) attended Sincere Pierce's autopsy, BCMEO case number: 2020-0972, at District 18 Medical Examiner's Office (BCMEO), located at 1750 Cedar Street, Rockledge, Brevard County, Florida. Pierce's autopsy was completed by BCMEO Chief Medical Examiner Doctor Sajid Qaiser.

CSI Adkins witnessed Doctor Qaiser remove the seal from Pierce's body bag, seal number: 30875. During the post-mortem examination, I noted one injury to the area of the decedent's right collar bone. A jacketed bullet was removed from the decedent's right chest cavity by Doctor Qaiser and turned over to CSI Adkins.

Items of evidence that were collected from the BCMEO were documented on property receipts as follows:

ME1: One (1) black sock
ME2: One (1) blue sock
ME3: One (1) gray boxers
ME4: One (1) FTA card- Sincere Pierce
ME5: One (1) right fingernail clippings
ME6: One (1) left fingernail clippings
ME7: One (1) head hair from left, right, and center w/tweezers
ME8: One (1) right and left hand bags
ME9: One (1) blotting paper from GSW, right Ant. side base of neck
ME10: Four (4) right hand swabs
ME11: Four (4) right forearm swabs
ME12: Four (4) left hand swabs
ME13: Four (4) left forearm swabs
ME14: Four (4) facial swabs
ME15: Four (4) chest swabs
ME16: One (1) jacketed bullet free in right chest
ME17: One (1) major case prints- Sincere Pierce

On Wednesday, November 18, 2020, at approximately 12:30 p.m., BCSO CSI's Adkins and Gardner, FDLE Special Agent Lisa Gundrum and I attended Angelo Crooms' autopsy, BCMEO case number: 2020-0974, at District 18 Medical Examiner's Office (BCMEO), located at 1750 Cedar Street, Rockledge, Brevard County, Florida. Crooms' autopsy was completed by BCMEO Chief Medical Examiner Doctor Sajid Qaiser.

CSI Adkins witnessed Doctor Qaiser remove the seal from Crooms' body bag, seal number: 30876. During the post-mortem examination, I noted two injuries to the decedent; one to his left shoulder and one to the left side of his head, just above his left ear. Two jacketed bullets were removed from the decedent by Doctor Qaiser and turned over to CSI Adkins; one from the decedent's brain and one from under the skin of his left posterior neck.

Items of evidence that were collected from the BCMEO were documented on property receipts as follows:

ME18: One (1) FTA card- Angelo Crooms
ME19: One (1) right fingernail clippings
ME20: One (1) left fingernail clippings w/clippers
ME21: One (1) head hair from left, right, and center w/tweezers
ME22: One (1) right and left hand bags
ME23: One (1) blotting paper from GSW left lat. upper back
ME24: One (1) blotting paper from GSW left shoulder
ME25: One (1) blotting paper from GSW top of head
ME26: Four (4) right hand swabs
ME27: Four (4) right forearm swabs
ME28: Four (4) left hand swabs
ME29: Four (4) left forearm swabs
ME30: Four (4) facial swabs

ME31: Four (4) chest swabs
ME32: One (1) hair from GSW top of head
ME33: One (1) jacketed bullet from brain
ME34: One (1) jacketed bullet from under skin of left posterior neck
ME35: One (1) major case prints- Angelo Crooms

All items of evidence from the BCMEO were transported to, and secured within, the BCSO CIS Building.

Refer to CSI Adkins', CSI Gardner, CSI Haas, CSI Kroom, CSI Miranda and CSI Schneider's supplemental crime scene reports, digital photographs and FARO DVD for a detailed account of each of their actions.

Doctor Kaiser's completed autopsy reports, as well as the toxicology reports for Angelo Crooms and Sincere Pierce will be provided to FDLE Special Agent Gundrum upon their completion.

Brevard County Sheriff's Office In-Car Camera Systems

The Brevard County Sheriff's Office currently utilizes in-car video systems manufactured by WatchGuard and Digital Ally.

The WatchGuard in-car video camera is a ruggedized, highly-extendible system that coordinates with a body-worn microphone and wirelessly uploads to a system designated by each individual agency. The in-car video system is a high-quality steerable camera with a high definition wide-view panoramic video camera. Together, the in-car video and WIFI-enabled body microphone capture video and audio from multiple vantage points and automatically synchronize for future playback. Recordings not only upload wirelessly to a system of the agency's choice, but are also stored in an internal drive. The camera system is enabled to capture video prior to the camera being turned on. The amount of time that will be recorded prior to the initiating of the camera is determined by the individual agency.

The camera is designed to turn on automatically upon several different triggers which are configured by each individual agency. (*Examples of these triggers are: initiating emergency lights, speed, impact and self-initiation of the body-worn microphone.*) The body-worn microphone acts as a Bluetooth device and connects to the in-car video system. There is minimal delay of recorded sound while the microphone pairs with the in-car video system due to system trying to multitask by grabbing the video simultaneous to trying to pair the microphone.

The specifications of this camera system are as follows:

Resolution

Primary: 1280x720 (HD) Panoramic: 1280x240 (HD)

Image Sensor/Type	Dual Exposure Progressive Scan CMOS Ultra-Wide Dynamic Range
Viewing Angle	Primary HD Camera: 68°
Operating Conditions	-20°C to 85°C
Primary Camera Aspect Ratio	16:9 Wide screen aspect ratio
Panoramic Camera Aspect Ratio	16:3 Ultra-wide screen aspect ratio

Specifically, FTO Jafet Santiago-Miranda's in-car video system was set to capture 60 seconds prior to the camera being activated. On November 13, 2020, at 10:33 a.m., FTO Jafet Santiago-Miranda initiated his emergency lights, which activated the in-car camera system. There was approximately a six (6) second delay from when FTO Santiago-Miranda initiated his emergency lights to when the body-worn microphone paired with the in-car video system.

On November 13, 2020, at approximately 12:30 p.m., Agent Mary Adams responded to the intersection of Ivy Drive and Stetson Drive South and recovered the USB flash drive located in the locked WatchGuard video recording device of FTO Santiago-Miranda's marked BCSO Ford Explorer (Unit #91727), which contained a video recording of the interaction. Agent Adams entered the flash drive into evidence at BCSO Criminal Investigative Services (CIS), located at 340 Gus Hipp Boulevard, Rockledge, as evidence item MA2.

On November 19, 2020, at approximately 4:30 p.m., Agent Adams responded to BCSO West Precinct, located at 2725 Judge Fran Jamieson Way, Melbourne, Brevard County, Florida, and retrieved the Watch Guard video system from within the electronic control box of FTO Santiago-Miranda's marked BCSO Ford Explorer. Agent Adams entered the in-car video recording system into evidence at BCSO CIS as evidence item VR1.

The Digital Ally in-car video camera is a system that coordinates with a body-worn microphone for up to 1000 feet. The system is designed to wirelessly upload recordings to the VuVault system if in a location designated by the individual agency and also to record to an SD card. The microphone automatically begins recording upon activation of the camera. The camera is designed to turn on upon initiation of the vehicle's emergency lights, upon vehicle impact or manually turning it on. The amount of time that will be recorded prior to the initiating of the camera is determined by the individual agency.

The following are the only two ways to retrieve the recordings captured by the Digital Ally in-car video recording system: 1) the vehicle must be within range of a designated location to upload wirelessly to the VuVault system, or 2) the SD card must be manually removed

and the recordings uploaded to VuVault from the SD card on a computer designed to do as such.

Deputy Hendren's marked BCSO Ford Interceptor (Unit #2621) was outfitted with the Digital Ally in-car video recording system, which does not continuously record and does not contain a hard drive. Specifically, Deputy Carson Hendren's in-car video system was set to capture 30 seconds prior to the camera being activated. Since Deputy Hendren did not trigger the activation of her camera, the camera did not turn on.

On November 13, 2020, at 12:30 p.m., Agent Mary Adams responded to the intersection of Ivy Drive and Stetson Drive South and recovered the SD card from the camera inside of Deputy Hendren's marked BCSO Ford Interceptor (Unit #2621). Agent Adams reviewed the SD card, which revealed there was no video recording of this incident. Agent Adams then placed the SD card into evidence at BCSO CIS as evidence item MA1.

At the time of this investigation, Agent Adams was assigned to the Brevard County Sheriff's Office Digital Forensics Unit as a Certified Digital Forensic Examiner. The process of collecting the video evidence stated above was further detailed in her supplement, which is included as an enclosure to this report.

Additional Investigative Efforts

At the time of this interaction additional investigative efforts revealed that on September 29, 2020, Angelo Crooms was placed on probation for the offenses of carrying a concealed weapon and battery (court case number: 052019CJ757). On October 21, 2020, Angelo Crooms was reported missing by his mother, Ms. Tasha Strachan, after he did not return home upon his curfew of 7:00 p.m., which was in direct violation of terms and conditions of his probation. Upon violating his probation, a TICO (Take Into Custody Order) for Crooms was issued. The TICO for Crooms was active at the time of this incident. Furthermore, Angelo Crooms did not have a valid driver's license.

On October 12, 2020, a TICO was issued for Sincere Pierce after he failed to appear at a court hearing (court case number: 052019CJ1429) for the offense of burglary of an unoccupied conveyance. The TICO for Pierce was active at the time of this incident.

Two firearms were recovered from the crime scene, one from Sincere Pierce's waistband and one from under the vehicle in the immediate area of Jaquan Marice Kimbrough-Rucker's position.

During an interview with Angelo Crooms' girlfriend (Brooke Cooper), she stated that it was common for Angelo Crooms and Sincere Pierce to carry firearms and knives on their persons. Her statement can further be corroborated by numerous social media pictures and video recordings (preserved as evidentiary) posted by Angelo Crooms and Sincere Pierce depicting them displaying various firearms, often while traveling in vehicles throughout Brevard County (for additional information regarding these social media posts, refer to BCSO Agent Keaton Mauldin's supplemental report).

Investigative Summary

The investigation has revealed the following:

The vehicle Deputy Dominguez attempted a traffic stop on at approximately 10:17 a.m. was a 2015 silver Volkswagen 4/D vehicle, with dark tinted windows and bearing Florida registration tag **NWEG22**. Although the actual color of the vehicle was silver, during the traffic stop Deputy Dominguez verbally identified over the radio that the vehicle was gray in color.

At approximately 10:30 a.m., [REDACTED] called 911 and reported to the BCSO Communications Center that [REDACTED] vehicle, a 2015 silver Volkswagen Passat, bearing Florida registration tag **NWEG22**, was stolen from 1930 Ivy Drive, Cocoa, Florida.

The vehicle observed by FTO Santiago-Miranda and Deputy Hendren at approximately 10:33 a.m., was described as a gray 2015 Volkswagen 4/D vehicle, dark tinted windows and bearing Florida registration tag **NWEG04**. Additionally, the vehicle was traveling in the direction of the registered owner's residence, 1926 Ivey Drive, Cocoa, Brevard County, Florida. The two vehicles were identical in description and only differed by the last two digits on the FL license plate. It was not realized until after the traffic stop and shooting incident that the vehicles were different and not related.

FTO Santiago-Miranda and Deputy Hendren attempted to conduct a lawful traffic stop on the vehicle they observed, to further investigate the previous fleeing and eluding incident. Angelo Crooms (driver) failed to comply with the deputies lawful orders and attempted to flee from the traffic stop. In an attempt to flee and elude the lawful traffic stop, Angelo Crooms intentionally accelerated his vehicle directly at FTO Santiago-Miranda, who used deadly force by discharging his agency issued handgun. Angelo Crooms and Sincere Pierce both suffered fatal injuries as a result of the shooting.

This investigative report is closed and referred as an enclosure to the Florida Department of Law Enforcement Investigation File number OR-27-0384.
